## **Gazelle English Edition:**

**Swahili Tales, as told by natives of Zanzibar. With an English translation. Swahili and Eng** Edward STEERE (Missionary Bishop of Central Africa.),1870      **Encounters with Wild Children** Adriana S. Benzaquén,2006-04-05 Through detailed readings of a wide variety of accounts debates and representations Encounters with Wild Children explores the many different meanings these children were given and the varied responses they elicited Adriana Benzaquén explains why wild children continue to haunt and fascinate Western scientists and shows how the knowledge they have generated in different disciplines including anthropology psychology psychiatry pedagogy linguistics and sociology has contributed to the shaping and reshaping of the modern understanding of the child and affected the social and institutional practices directed at all children in schools welfare mental health and the law      **The book of antelopes** Philip Lutley Sclater,1898 *University of Illinois Studies in Language and Literature* ,1925      *Peace Within* Freed,2016-03-31 Russell Novinshoar 8229 Back Cover Ibrahim prayed to his Lord O my Lord Bestow wisdom on me And join me with the righteous Grant me honorable mention on The tongue of truth among the latest generations Make me one of the inheritors of the Garden of Bliss And let me not be in disgrace on the Day men will be raised up The Day where neither wealth Nor sons will avail but only he Will prosper that brings to God A sound heart      *"The" Athenaeum* ,1886      **Oriental Affinities of the Legend of the Hairy Anchorite** Charles Allyn Williams,1927      *From St Jerome to Hypertext* Per Qvale,2014-05-12 From St Jerome to Hypertext is an ambitious attempt to chart the terrain of literary translation its history theory and practice It examines translation from linguistic extralinguistic and philosophical perspectives and poses a range of important questions including the extent to which a linguistically creative original text should be reduced to fit existing norms in translation whether translators should render the author's voice or the author's vision how a translator might bridge the gender gap generation gap cultural gap geographical distance and distance in time the way in which one translates texts which are themselves multilingual whether the Bible is a technical book a primary source a drama or a revelation the impact that processes of internationalization multimedia communication and technological innovations might have on literature in translation Individual chapters offer detailed treatment of topics such as the relationship between author and translator wordplay and language games syntax cultural biotes understanding and meaning and the process of translation      *The Gazelle's Dream* Alison Betts,W. Paul van Pelt,2021-12-01 Once the world's prairies grasslands steppes and tundra teemed with massive herds of game gazelle wild ass bison caribou and antelope Humans seeking to hunt these large fast moving herds devised a range of specialised traps that share many characteristics across all continents Typically consisting of guiding walls or lines of stones leading to an enclosure or trap game drives were designed for a mass killing Construction of the game drive organisation of the hunt and processing of the carcass often required group co operation and in many cases game drives have been linked to seasonal gatherings of otherwise scattered groups who may have used these occasions not only to hunt but

also for social ritual and economic activities The Gazelle's Dream Game Drives of the Old and New Worlds is the first comparative study of game drives examining this mode of hunting across three continents and a broad range of periods The book describes the hunting of bison in North America reindeer in Scandinavia antelope in Tibet and an extensive array of examples from the greater Middle East from Egypt to Armenia The Gazelle's Dream will be of value to anyone with an interest in the history of hunting and wildlife management Barbara Pym Robert Emmet Long,1986 **British Books**,1922 *The New International Encyclopædia* Frank Moore Colby,Talcott Williams,1917 The New International Encyclopaedia ,1929 *The Song of Songs and Its Tradition in Renaissance Love Lyric* Camilla Caporicci,2025-01-29 Traditionally attributed to King Solomon and called by Rabbi Akiva the Holy of Holies among sacred Scriptures Mishnah Yadayim 3:5 the Song of Songs is one of the most fascinating and controversial biblical books and played an essential role in the shaping of European spirituality and culture Combining in a unique way a sensual and deeply lyrical celebration of love with a well established tradition of Christian allegorical interpretation this text crucial to both the Middle Ages and the early modern period held a particular appeal for poets devoted not only to religious verse but also to love poetry The Song of Songs and Its Tradition in Renaissance Love Lyric is the first systematic and wide ranging investigation of the multifaceted use of the Song of Songs in Renaissance love lyric poetry with specific attention to Italian French and especially English poetic production At the same time this investigation is embedded into a narrative that comprising two initial chapters devoted to medieval poetry and to Francesco Petrarca represents an unprecedented attempt to trace the role of the Song of Songs in the rise and development of the European love lyric following its path or rather one of its paths from the medieval origins of this tradition to the end of the sixteenth century The picture of the general impact of the Song of Songs in the development of the European love lyric is combined with in depth analysis of key works by specific authors including Dante Alighieri Francesco Petrarca Torquato Tasso Marguerite de Navarre Anne de Marquets Clément Marot Richard Barnfield Edmund Spenser William Shakespeare John Donne Elizabeth Melville and Aemilia Lanyer promoting a contextualization of their significance within a new interpretative framework While the comparative standpoint characterizing this study fosters a deeper comprehension of the evolution of the European love lyric its multidisciplinary approach which considers the Song of Songs as the centre of a web of dynamics pertaining to the fields of literature philosophy theology and religious and cultural history contributes to the understanding of the thought and spirit of ages crucial to the shaping of European culture *The Islamic Review* ,1918 *The Monthly Musical Record* ,1908 Includes music **A Plain and Literal Translation of the Arabian Nights' Entertainments, Now Entitled the Book of the Thousand Nights and a Night with Introduction Explanatory Notes on the Manners and Customs of Moslem Men and a Terminal Essay Upon the History of The Nights** ,1886 **Archaism, Modernism, and the Art of Paul Manship** Susan Rather,2014-11-06 Archaism an international artistic phenomenon from early in the twentieth century through the 1930s receives its first sustained analysis

in this book The distinctive formal and technical conventions of archaic art especially Greek art particularly affected sculptors some frankly modernist others staunchly conservative and a few who like American Paul Manship negotiated the distance between tradition and modernity Susan Rather considers the theory practice and criticism of early twentieth century sculpture in order to reveal the changing meaning and significance of the archaic in the modern world To this end and against the background of Manship s career she explores such topics as the archaeological resources for archaism the classification of the non Western art of India as archaic the interest of sculptors in modern dance Isadora Duncan and Ruth St Denis and the changing critical perception of archaism Rather rejects the prevailing conception of archaism as a sterile and superficial academic style to argue its initial importance as a modernist mode of expression The early practitioners of archaism including Aristide Maillol Andr Derain and Constantin Brancusi renounced the rhetorical excess overrefined naturalism and indirect techniques of late nineteenth century sculpture in favor of nonnarrative stylized and directly carved works for which archaic Greek art offered an important example Their position found implicit support in the contemporaneous theoretical writings of Emmanuel Levy Wilhelm Worringer and Adolf von Hildebrand The perceived relationship between archaic art and tradition ultimately compromised the modernist authority of archaism and made possible its absorption by academic and reactionary forces during the 1910s By the 1920s Paul Manship was identified with archaism which had become an important element in the aesthetic of public sculpture of both democratic and totalitarian societies Sculptors often employed archaizing stylizations as ends in themselves and with the intent of evoking the foundations of a classical art diminished in potency by its ubiquity and obsolescence Such stylistic archaism was not an empty formal exercise but an urgent affirmation of traditional values under siege Concurrently archaism entered the mainstream of fashionable modernity as an ingredient in the popular and commercial style known as Art Deco Both developments fueled the condemnation of archaism and of Manship its most visible exemplar by the avant garde Rather s exploration of the critical debate over archaism finally illuminates the uncertain relationship to modernism on the part of many critics and highlights the problematic positions of sculpture in the modernist discourse
