I selected these images because they were appealing to me and had lots of inspiring features I could use in my designs. My favourite images were the mandala designs as they show aspects of nature and art, also the colours are very intriguing. As I researched more the images I gathered lots of patterns and textures as it showed a really calm and peaceful mood as it included Buddhism.

### Mandala

Symmetry related to Mandala. The literal meaning of mandala, which is a Sanskrit word, is circle and like a circle, the mandala represents wholeness. A circle also embodies balance, perfection and eternity as the distance from its center to all points on its circumference is the same, thus whatever it is measured.
