## Ge Monogram Refrigerator Troubleshooting Guide:

*Average Joe's RV Refrigerator* D. Roger, Onna Lee Ford, 2010-01-15 Anybody from the RV owner to the service technician can comprehend and determine troubles with an RV refrigerator. In this practical manual the authors provide profound discussions in troubleshooting. True to its name *Average Joe's RV Refrigerator Troubleshooting Repair Guide* aims to help any person in making minor repairs by himself/herself. It also supplies information that helps one know whether or not his/her service tech is qualified to make an educated analysis of the problems and is able to do the repairs successfully with the least amount of cost available to the consumer. Geared to assist any individual anytime anywhere *Average Joe's RV Refrigerator Troubleshooting Repair Guide* is a handy book that will be of use for both personal and business needs. Book Review: *Average Joe's RV Refrigerator Troubleshooting and Repair Guide* made me feel confident that I, an average Joanne, could pull out my own RV refrigerator and know what I was looking at what to check first depending on the problem and where to proceed from there. Without the guide I'd never know where to start. There are a lot of photos and the troubleshooting charts are easy to read with a column for symptoms, possible problem areas and causes and remedies. They identify specific problems for which I need to call on a repair specialist but I was surprised to see that many of the remedies are simple enough that I would not be afraid to tackle them myself. This guide will help anyone assess problems with their RV refrigerator and try first to fix it yourself thereby saving on costly repair bills. **Average Joe's RV Refrigerator** Onna Lee Ford, Roger D.
