 Cultural Studies represents a collection of new scholarship on culture from the social sciences and from work done under the
 rubric of cultural studies Working from the idea that Sociology and Cultural Studies have developed distinct and valuable
 toolkits for understanding culture the editors have brought together a collection of essays that address the ways in which the
 cultures around race sex and gender are mediated through or intersect with politics society and economy Some essays deal
 directly with the theoretical nature of this mediation while others adopt these theoretical approaches to investigate specific
 cultural objects or communities In doing so these essays call attention to the particularities of form that constitute a kind of
