A Farewell to Arms Study Gullied Questions \*Answer the following questions on a separate sheet of paper as completely as possible. Keep these questions/answers to use as notes in order to prepare for discussions, quizzes, and tests.

### BOOK I

1. What tone is set in the opening chapters? Why is this unexpected? The scene that Hemingway creates is peaceful and serene. However, the tone is depressing as fall turns into winter with rains and cholera plaguing the army. This is unexpected because the novel is about war and we do not see any action.
2. What are your impressions of the narrator so far?
3. He seems rugged yet sensitive to the beauty of nature, articulate, inured to the dying that is part of the war, probably a reliable reporter of external events, but pretty close-lipped about his own feelings.
4. How/Why did the narrator get involved in W/W/W? Why is he in the Italian army? He signed up to drive an ambulance in the Italian army, he tells the head nurse he was in Italy and spoke Italian.
5. What does the narrator's initial attitude toward the war seem to be? He seems objective and detached.
6. Describe the relationship between the Italian officers and the priest. What are their views concerning the Catholic Church? The priest is young and sincere, and the others tease him about his celibacy. The others poke fun at the church also.
7. Describe the priest's native village of Brazil. Brazil is green with hills and a castle yet more guns and new hospitals and Bruits on the street. Does he apologize to the priest? Milan, Florence, Rome, etc. He visits women. He apologizes to the priest for not visiting his hometown and family.
8. Who is Catherine Barley? How does the lieutenant meet her? A British V. A. D. - something like a nurse's aid. She has been seeing Ronald and Ronald drags Let. Henry to meet his girl. Discuss the effect on Catherine of her fiancé's death in the war. She held regret that they did not marry... There is sadness as she says "I could have given him that anyway" she also said she was going to cut all of her hair off for him as she wanted to do something for him.
9. How does Let? Does Ronald react to Catering's obvious preference for Henry? Was he sincere in his expressed intent to marry her? What does Ronald mean when he says, "Thank God I didn't become involved with the British" (32)? (5-6) Ronald is indifferent to Catering's attachment to Henry. He is not sincere in his intentions to marry Miss Barley.
10. Why does the lieutenant tell Catherine that he loves her? What is meant by the comment, "This was a game, like a bridge". He says it because it is what she wants to hear- if they are to have a physical relationship- but he has no intention of falling in love.
11. How does the soldier with the hernia feel about the war? Why does the lieutenant tell him to "get a bump on your head"? What was th
