

Extended Metaphor

For example, this is a poem written by parents about their teenage son:

Bat

My son is a bat.
His eyes blink when darkness comes.
His body stirs with life.
His limbs gorge with blood
as he sets out through the cave of night
his roof the stars
the moon a big white eye watching.
Attracted by the false lights
he mingles with his batty friends
weaving in and out of nightclubs
endless parties
each other's places
till sensing the sudden ebb
of darkness
he flutters home
a cloaked Dracula
to the hollow of his room
where he will sleep all day

Project™: Poetry Book* Al Johnson,2021-05-21 In today s headlines there have been incidents involving harassment of children and teens directly related to vicious homophobic cyberspace racial and other forms of bullying The pain anguish and heartbreak of bullying victims can be overwhelming Even supposedly mature politicians religious leaders and others are vociferous in a homophobic and vitriolic tone toward anyone with different lifestyles or points of view Easily influenced children and teens hear these confusing tones of discord and may likely soon emulate in some unhealthy manner [A Collection of Poetry about Anti-Bullying](#) Elise Sharron,2022-02-03 A term that everyone around the world has become very aware of is bullying There are so many disappointing aspects of this personality trait and the more it happens the more disappointing it becomes Unfortunately students report being bullied as young as kindergarten four things that they don t even understand and sometimes things that they have no control over like their race or socioeconomic status The biggest misstep is that the adults in the room are not always doing everything that they can to support students who are being bullied address and educate

students who are the bullies as well as creating a safety net for all students in all aspects of their young life This collection deals with anti bullying In *Burnt Cake* we use the metaphor of a burnt cake to connect with a teenager that is experiencing bullying and can t quite find the words to ask their parents for help In *Stand Up* we experience the honest truth about what we are not seeing and are not addressing in the presence of this bullying culture In *When I Have a Kid* we hear someone express all of the things that they are and are not going to do in an effort to support their child Because at the end of the day supporting children is important because at some point they will grow up to be the adults that lead our world We must make anti bullying a priority to keep this generation safe as well as the next *Bullies Never Win!* Desiree P. Edwards,2013-11-19

Recently the act of bullying has captured our nation s attention Bullying includes behaviors that focus on making someone else feel inadequate It includes harassment verbal and emotional abuse physical harm and efforts to ostracize another person These poems are meant to encourage our young people to discover their dream and to be true to themselves They are meant to inspire and provide empowerment to victims by assuring them that they can overcome the many challenges they are confronted with Each poem gives a message of hope because Bullies never win **To the Bullies** Bill Kearns,2014-01-26
