Mometrix HESI study guide is laid out in a logical and organized fashion so that one section naturally flows from the one preceding it. Because it's written with an eye for both technical accuracy and accessibility, you will not have to worry about getting lost in dense academic language. Any test prep guide is only as good as its practice questions and answer explanations, and that's another area where our guide stands out. The Mometrix test prep team has provided plenty of HESI practice test questions to prepare you for what to expect on the actual exam. Each answer is explained in depth in order to make the principles and reasoning behind it crystal clear. All 3 practice tests are available to take in online interactive format, allowing you to immediately score your test and see what you got wrong. We've also printed 1 practice test in your guide for offline reference. Many concepts include links to online review videos where you can watch our instructors break down the topics so the material can be quickly grasped. Examples are worked step by step so you see exactly what to do. We've helped hundreds of thousands of people pass standardized tests and achieve their education and career goals. We've done this by setting high standards for Mometrix Test Preparation guides and our HESI Exit Exam Study Guide 2024-2025 Secrets Prep Book is no exception. It's an excellent investment in your future. Get the HESI review you need to be successful on your exam.

*Hesi Comprehensive Review for the Nclex-pn Examination* HESI, 2020-03     *The Nurse Educator's Guide to Assessing Learning Outcomes* Mary McDonald, 2014 *The Nurse Educator's Guide to Assessing Learning Outcomes* Third Edition is a widely used resource for both faculty and nursing education students that covers the assessment of critical thinking, the development of learning objectives and the creation of tests including detailed tips for writing many kinds of individual test items. The book also covers the analysis of test reliability. Examples of effective and ineffective test items are included throughout to help faculty and nurse educators deepen their understanding of how to create effective tests and assess student learning. This new edition addresses the increased pressure that NCLEX and other certification exams are placing on nursing students and faculty and reflects the most recent updates to the NCLEX Detailed Test Plan. Each chapter has been updated with timely information and examples.
