Medieval Mississippians The Cahokian World Popular Archaeology:

Medieval Mississippians Timothy R. Pauketat, Susan M. Alt, 2015 Medieval Mississippians the eighth volume in the award winning Popular Archaeology Series introduces a key historical period in pre Columbian eastern North America the Mississippian era via a series of colorful chapters on places practices and peoples written from Native American and non Native perspectives on the past The volume lays out the basic contours of the early centuries of this era AD 1000 1300 in the Mississippian heartland making connections to later centuries and contemporary peoples Cahokia the place and Cahokian social history undergird the book but Mississippian material culture landscapes and descendants are highlighted presenting a balanced view of the Mississippian world Aztec, Salmon, and the Puebloan Heartland of the Middle San Juan Paul F. Reed, Gary M. Brown, 2018-11-15 The contributors to this book attribute the development of Salmon and Aztec to migration and colonization by people from Chaco Canyon and that the Middle San Juan can be seen as one of the ancient Puebloan heartlands that made important contributions to contemporary Puebloan society **Cahokian Dispersions** Melissa R. Baltus, Sarah E. Baires, Elizabeth Watts Malouchos, Jayur Madhusudan Mehta, 2022-11-12 This book examines the possibility and role of a Cahokian diaspora to understand cultural influence complexity historicity and movements in the Mississippian Southeast Collectively the chapters trace how the movements of Cahokian and American Bottom materials substances persons and non human bodies converged in the creation of Cahokian identities both within and outside of the Cahokia homeland through archaeological case studies that demonstrate the ways in which population movements foment social change Drawing initial inspiration from theories of diaspora the book explores the dynamic movements of human populations by critically engaging with the ways people materially construct or deconstruct their social identities in relation to others within the context of physical movement This book is of interest to students and researchers of archaeology anthropology sociology of migration and diaspora studies Previously published in Journal of Archaeological Method and Theory Volume 27 issue 1 March 2020 *Cahokia's Complexities* Susan M. Alt, 2018-04-24 Critical new discoveries and archaeological patterns increase understanding of early Mississippian culture and society The reasons for the rise and fall of early cities and ceremonial centers around the world have been sought for centuries In the United States Cahokia has been the focus of intense archaeological work to explain its mysteries Cahokia was the first and exponentially the largest of the Mississippian centers that appeared across the Midwest and Southeast after AD 1000 Located near present day East St Louis Illinois the central complex of Cahokia spanned more than 12 square kilometers and encompassed more than 120 earthen mounds As one of the foremost experts on Cahokia Susan M Alt addresses long standing considerations of eastern Woodlands archaeology the beginnings character and ending of Mississippian culture AD 1050 1600 from a novel theoretical and empirical vantage point Through this case study on farmers immigration and resettling Alt's narrative reanalyzes the relationship between administration and diversity incorporating critical new discoveries and archaeological patterns from

outside of Cahokia Alt examines the cultural landscape of the Cahokia flood plain and the layout of one extraordinary upland site Grossman as an administrative settlement where local farmers might have seen or participated in Cahokian rituals and ceremonies involving a web of ancestors powers and places Alt argues that a farming district outside the center provides definitive evidences of the attempted centralized administration of a rural hinterland *Ancient Cahokia and the Mississippians* Timothy R. Pauketat,2004-06-17 Using a wealth of archaeological evidence this book outlines the development of Mississippian civilization **Cahokia** Timothy R. Pauketat,Thomas E. Emerson,2000-01-01 About one thousand years ago Native Americans built hundreds of earthen platform mounds plazas residential areas and other types of monuments in the vicinity of present day St Louis This sprawling complex known to archaeologists as Cahokia was the dominant cultural ceremonial and trade center north of Mexico for centuries This stimulating collection of essays casts new light on the remarkable accomplishments of Cahokia Cahokia in Context Charles H. McNutt,Ryan Parish,2019-12-16 This volume highlights the nucleation of St Louis s ancient indigenous population into a place we refer to as Cahokia Mounds This allows us to address not only the broader context of Cahokia s creation as an urban center but also the rapid nature of change throughout its history **Following the Mississippian Spread** Robert A. Cook,Aaron R. Comstock,2022-06-29 This book is the first to specifically trace the movement of Mississippian maize farmers throughout the US Midwest and Southeast By providing a backdrop of shifting climatic conditions during the period this volume also investigates the relationship between farmers and their environments Detailed regional overviews of key locations in the Mississippi Valley the Ohio Valley and the peripheries of the Mississippian culture area reveal patterns and variation in the expression of Mississippian culture and interactions between migrants and local communities Methodologically the case studies highlight the strengths of integrating a variety of data sets to identify migration The volume provides a broader case study of the links between climate change migration and the spread of agriculture that is relevant to archaeologists and anthropologists studying early agricultural societies throughout the world Key patterns of adaptation to and mitigation of the effects of droughts for example provide a framework for understanding the options available to societies in the face of climate change afforded by the time depth of an archaeological perspective Encyclopedia of Society and Culture in the Medieval World ,2008 The four volume Encyclopedia of Society and Culture in the Medieval World provides readers with comprehensive coverage of the medieval world from the fall of Rome to the European Renaissance including Western and non Western cultures and civilizations Following an introduction that outlines the history of the major centers of civilization this authoritative set features 71 alphabetical entries that explore specific topics such as architecture economy art and the military followed by subsections on Africa the Americas Asia Europe and the Islamic World These insightful entries including 12 on major topics with more in depth coverage allow readers to compare and contrast events in different areas of the world with ease Key articles are supported by primary source documents and a list of further reading complements each entry More than 200 black and white
