Identity Excellence Perry L. Glanzer,2022-07-18 American higher education historically and inherently is a morally formative endeavor Yet in order to respond to America s moral pluralism higher education has increasingly taken a reductionistic approach to moral formation Consequently it abandoned the effort to supply students with moral expertise

Current approaches help students learn how to be excellent professionals and citizens but they fail to provide the necessary tools for living the good life in college and beyond *Identity Excellence A Theory of Moral Expertise for Higher Education* addresses this problem by setting forth a multi disciplinary theory of moral expertise for fostering moral excellence in an array of important identities To this end it teases apart the essential elements of what it means to be excellent in an identity before discussing the philosophical sociological psychological and educational processes necessary for students to internalize traditions of identity excellence as part of their own moral identities Overall the emergent theory exposes the shortcomings in contemporary general education professional ethics and co curricular education Finally this book sets forth a bold but compelling vision for a more hopeful future for American higher education As outlined within such education involves teaching students excellence in the Great Identities as well as how to prioritize and integrate their pursuit of identity excellence

Journalism Tim P. Vos, 2018-05-22 This volume sets out the state of the art in the discipline of journalism at a time in which the practice and profession of journalism is in serious flux While journalism is still anchored to its history change is infecting the field The profession and the scholars who study it are reconceptualizing what journalism is in a time when journalists no longer monopolize the means for spreading the news Here journalism is explored as a social practice as an institution and as memory The roles epistemologies and ethics of the field are evolving With this in mind the volume revisits classic theories of journalism such as gatekeeping and agenda setting but also opens up new avenues of theorizing by broadening the scope of inquiry into an expanded journalism ecology which now includes citizen journalism documentaries and lifestyle journalism and by tapping the insights of other disciplines such as geography economics and psychology The volume is a go to map of the field for students and scholars highlighting emerging issues enduring themes revitalized theories and fresh conceptualizations of journalism

Ethics, Morality, and the Media Lee Thayer, Richard L. Johannesen, Hanno Hardt, 1980

Living Ethics Michael J. Bugeja, 2008 In a seamlessly wired world of television computers and BlackBerrys where does ethics fit in To address that question *Living Ethics* calls for a moral convergence to complement the technological one Identifying principles that apply across media platforms Michael Bugeja has created a thorough and well researched work that avoids the prescriptive language used by many texts instead he encourages critical thinking through examples that build challenge and enhance readers value systems While many ethics texts focus almost exclusively on journalistic ethics this award winning text recipient of the 2009 Clifford G Christians Award for Research in Media Ethics emphasizes unifying principles that collapse and transcend the boundaries of a wide variety of media sources including newspapers magazines radio television

public relations photojournalism advertising and other forms of traditional and online mass communication As readers will discover the circumstances of ethical issues may vary but the moral processes used to resolve them are basically the same Resolutely practical *Living Ethics* is written in a clear and cogent style that helps readers Understand unifying principles from historical philosophical and political perspectives Grasp the utility of principles that engage audiences and clients while respecting the diverse cultures in an increasingly global media environment Explore moral convergence through the eyes of more than 100 practitioners at major newsrooms agencies and organizations Examine ethical issues visually through more than 20 photos and illustrations Develop a set of principles to guide their careers across a multitude of platforms Media Ethics Philip Patterson, Lee Wilkins, 1994 This diverse and up to date compilation of classroom tested cases in media ethics is now available in a new edition *Media Ethics* combines real life and hypothetical cases with a succinct introduction to relevant ethical theory helping students prepare for the ethical situations they will encounter in the media professions Ideal as the main text in a media ethics course or as a supplemental text in any course in journalism *Mediating the Message* Pamela J. Shoemaker, Stephen D. Reese, 1996 Provides a comprehensive review of the functions and factors which influence media content decisions It analyzes research in this area and evaluates the theoretical perspectives typically used in these studies in an attempt to establish a new theory of media content **Contemporary Media Ethics** Mitchell Land, Bill W. Hornaday, 2006 But *Contemporary Media Ethics* uses both perspectives to understand and resolve ethical dilemmas that mass communicators face The three chapters in the first section of the book Foundations examine the history and philosophy of the utilitarian and communitarian perspectives focusing on the strengths and weaknesses of both Then the remaining 23 chapters which are written by leading media scholars and media professionals apply both of these perspectives to real world cases that deal with terrorism AIDS racial justice environmental activism homosexuality sex in advertising public relations and the First Amendment In *Contemporary Media Ethics* readers also are introduced to the Point of Decision Pyramid Model A new method for ethical decision making developed by the editors that emphasizes a philosophical foundation as a starting point *Index/directory of Women's Media*, 1986 *The Writers Directory*, 2013 *Media Ethics* Clifford G. Christians, Mark Fackler, Peggy J. Kreshel, Kathy Brittain Richardson, 2020-03-26 *Media Ethics Cases and Moral Reasoning* challenges readers to think analytically about ethical situations in mass communication through original case studies and commentaries about real life media experiences This text provides a comprehensive introduction to the theoretical principles of ethical philosophies facilitating ethical awareness It introduces the Potter Box with its four dimensions of moral analysis to provide a framework for exploring the steps in moral reasoning and analyzing the cases Focusing on a wide spectrum of ethical issues faced by media practitioners the cases in this Eleventh Edition include the most recent issues in journalism broadcasting advertising public relations and entertainment Cases touch on issues and places worldwide from Al Jazeera to the Xinhua News Agency from Nigerian brown envelopes to PR professional standards in South Africa Racially divisive
