In the background, there is a classical altar with a pediment supported by four columns. The altar has four arched windows with dark, patterned glass. A large wooden cross is mounted on the altar. Two American flags are positioned on either side of the altar. The walls are white, and there are windows on the sides. The overall atmosphere is serene and historical.

Holy Things And Profane Anglican Parish Churches:

Holy Things and Profane Dell Upton, 1997-01-01 *Holy Things and Profane* is a study of architecture of the thirty seven extant colonial Anglican churches of Virginia and of their vanished neighbors whose existence is recorded in contemporary records particularly the forty six vestry books and registers that have survived in whole or in part Preface **When Church Became Theatre** Jeanne Halgren Kilde, 2005 This text focuses on the shift in evangelical Protestant architecture in the 1880s and links it to changes in worship style and religious mission It focuses on how these buildings helped congregations negotiate social and personal power **The Sound Studies Reader** Jonathan Sterne, 2012 The Sound Studies Reader is a groundbreaking anthology blending recent work that self consciously describes itself as sound studies with earlier and lesser known scholarship on sound Wandering Souls S.
