2010 PROSE Award Winner for Nursing Allied Health Sciences 2010 AJN Book of the Year Award Winner in Public Interest
and Creative Works The accounts are vivid colorful descriptive intense and often horrific and give cross sectional views of life
in the trenches during this disaster This book is a rich primary source for both historians and disaster preparedness planners
It s not only a tribute to the courage of the nurses but should also serve as a guide for policy planners hoping to avoid less
than optimal responses to future crises AJN T he book fascinates simply for its raw documentation of the dreadful events and
conditions endured by nurses doctors and ancillary staff as they struggled to care for critically ill patients without electricity
running water air conditioning systems and other resources Five years after the levees broke the horror and chaos of Katrina
is still fresh in these accounts Through the stories readers are transported into the hospitals as nurses heroically work
together to evacuate babies from NICUs and vented patients from ICU try to calm patients family members and coworkers
and make do with the equipment and supplies they ve got National Nurse Don t ever think that this can t happen to you You
are going to read this and it s going to sound like we created this scenario but this is a real scenario that happened Pam
Memorial Medical Center Everything that was battery operated eventually died There were no monitors we tried to take care
of people in the most humane way possible Lois Lindy Boggs Medical Center Nursing in the Storm Voices from Hurricane
Katrina takes you inside six New Orleans hospitals cut off from help for days by flooding where nurses cared for patients
around the clock In this book nurses from Hurricane Katrina share what they did how they coped what they lost and what
they are doing now in a city and health care infrastructure still rebuilding still in jeopardy In their own words the nurses tell
what happened in each hospital just before during and after the storm Danna and Cordray provide an intimate portrait of the
experience of Katrina which they and their colleagues endured Just a few of the heroic nurses you ll find inside Rae Ann and
twenty others including her husband and children who wait on a hospital roof for help to come Lisa in the midst of caring for
patients who has not heard from her husband in 5 days Roslyn who has 800 people in her hospital when the power
generators shut down Linda who uses bed sheets to write out help messages on a hospital roof hoping someone will see them
The book also discusses how to plan and prepare for future disasters with a closing chapter documenting the lessons learned
from Katrina including day to day health care delivery in a city of crisis This groundbreaking work serves as a testament to
nurses professionalism perseverance and unwavering dedication **Resources in Education** ,1994 **Textbook of Basic**
