## Haggai Chapter 2 Commentary:

**Old Testament Theology** Paul R. House, 1998-11-04 Paul R House provides a comprehensive theology of the Old Testament carefully exploring each Old Testament book thematically summarizing its content and showing its theological significance within the whole of the Old Testament canon [Commentary on the Old Testament](#) Daniel Denison Whedon, 1907 [Commentary on the Old Testament ...](#), 1907 **A Commentary on the Holy Bible** John Roberts Dummelow, 1909 *Applied Old Testament Commentary* Tom Hale, Steve Thorson, 2012-12-10 The wisdom found in God's Word is timeless as relevant today as when it was first written And the challenge for believers remains unchanged how do we apply these truths to our everyday world The Applied Commentary series is a fresh approach to Bible study connecting great wisdom with your life today Each Scripture passage is enhanced with insights on key themes and ideas Featured articles provide a deeper look at essential concepts while the contemporary language allows for easy reading And because some subjects are open to interpretation for discussion we've included perspectives from leading theologians from all backgrounds and denominations The result An interactive approach to Scripture that will challenge your ideas and build your faith which is what reading the Bible is all about **A Commentary, Critical, Practical, and Explanatory, on the Old and New Testaments : with a Bible Dictionary, Compiled from Dr. Wm. Smith's Standard Work, and a Copious Index, Chronological Tables, Maps and Illustrations** Robert Jamieson, Andrew Robert Fausset, David Brown, 1889 **Minor Prophets II (Understanding the Bible Commentary Series)** John Goldingay, Pamela J. Scalise, 2012-07-01 The Minor Prophets are those dozen Old Testament books that in the time of Jesus were usually written on one scroll since they were all fairly brief The late Elizabeth Achtemeier prepared the New International Biblical Commentary on the first six Hosea Joel Amos Obadiah Jonah and Micah This second volume deals with the final six books John Goldingay writes on Nahum Habakkuk Zephaniah and Haggai Pamela Scalise takes on the longest Zechariah and the last Malachi Like the authors of other volumes in the NIBC Goldingay and Scalise utilize what is referred to as believing criticism when examining the biblical texts Based on fidelity to critical analysis and sensitivity to the faith of both ancient and contemporary readers this balanced approach enriches both the academy and the church Following the series guidelines the authors clearly explain the texts with additional notes regarding interpretation and practical reflection For example Goldingay issues a reminder that when the prophets spoke against the arrogance and sins of Assyria and Babylon the Israelites needed to hear the word of God as a caution against their own pride and wickedness He goes on to suggest that modern readers must remember as well that the same attitudes and actions that led to the downfall of these ancient Middle East empires can fall upon any and all who follow their example The New International Biblical Commentary offers the best of contemporary scholarship in a format that both general readers and serious students can use with profit Based on the widely used New International Version translation the NIBC presents careful section by section exposition with key terms and phrases highlighted and all Hebrew transliterated A

separate section of notes at the close of each chapter provides additional textual linguistic cultural and technical comments Each commentary also includes a selected bibliography as well as Scripture and subject indexes Holiness in Jewish Thought Alan L. Mittleman,2018-01-19 Holiness is a challenge for contemporary Jewish thought The concept of holiness is crucial to religious discourse in general and to Jewish discourse in particular Holiness seems to express an important feature of religious thought and of religious ways of life Yet the concept is ill defined This collection explores what concepts of holiness were operative in different periods of Jewish history and bodies of Jewish literature and offers preliminary reflections on their theological and philosophical import today The contributors illumine some of the major episodes concerning holiness in the development of the Jewish tradition They are challenged to think about the problems and potential implicit in Judaic concepts of holiness to make them explicit and to try to retrieve the concepts for contemporary theological and philosophical reflection Not all of the contributors push into philosophical and theological territory but they all provide resources for the reader to do so Holiness is elusive but it need not be opaque This volume makes Jewish concepts of holiness lucid accessible and intellectually engaging **A Commentary on the Holy Bible, by Various Writers** John Roberts Dummelow,1916 *The Seventh-Day Adventist Bible Commentary* Francis David Nichol,1954 *"A" Commentary, Critical and Explanatory, on the Old and New Testaments: Old Testament.
