Handbook Of The

Management Of Creativity And Innovation: Theory And Practice Lisa Min Tang, Christian Werner, 2017-03-20

Handbook of the Management of Creativity and Innovation Theory and Practice is a collection of theories and practices for the effective management of creativity and innovation, contributed by a group of European experts from the fields of psychology, education, business, engineering and law. Adopting an interdisciplinary and intercultural approach, this book offers rich perspectives both theoretical and practical on how to manage creativity and innovation effectively in different domains and across cultures. This book appeals to students, teachers, researchers and managers who are interested in creative and innovative behavior and its management. Although the authors are from the fields of psychology, education, business, engineering and law, readers from all disciplines will find the coverage of this book beneficial in deepening their understanding of creativity and innovation and helping them to identify the right approaches for managing creativity and innovation in an intercultural context.
