2 GRAMMAR: have to for obligation and need to for necessity

A Complete the email with have to / don't have to or need to / don't need to.

Hi Alex,
 Thanks so much for taking care of the house while I'm away. Please remember that you have to feed the cat every morning and evening. And you do have to turn off the lights in the morning, and turn them back on again at night. You do not need to water the garden because we've had so much rain recently, and you really don't have to clean the kitchen. I'll do that when I come back. You do not need to call me, but please send me an email to say everything's OK.
 Thanks!
 Elena
