Case,2002 Winning the Worry Battle Barb Roose,2018-04-17 Have you ever tried to fight worry with faith and felt you were losing the battle Have comments like God's got this or Just pray about it only left you feeling more burdened We know we shouldn't worry but the reality is that we all do at times Whether it's personal worries about loved ones and daily circumstances or broader concerns about what's happening in the world we long for something more than platitudes that will help us put real feet to our faith and win the worry battle Many Christians do not have a full understanding of what it means to fight the good fight of faith They try to live by faith but in the face of everyday trials and failures they find themselves disillusioned and discouraged wondering if they have done something wrong or if living by faith only works for others The problem for most is simply a lack of understanding regarding what faith is and how it works This book inspired by the Book of Joshua reviews three steps a person can take to Fight In Faith 1 embrace God's promises 2 steep your heart in courage and 3 act in obedience to God's commands Just as God gave His people victory over their enemies when they fought in faith He promises to do the same for us Following the footprints of bold courageous faith that God gave His people we'll be equipped with tools to bravely fight in faith and overcome both our daily struggles and the bigger battles we all face Through examples of how God gave the Israelites victory over their enemies and generously blessed them too we'll be victorious in our fight of faith so that we not only radically transform our own lives but unequivocally impact society A companion six week Bible study Joshua Winning the Worry Battle is also available for those who would like to dig deeper into the book's topic Study components each available separately include a Participant
