Digital Age **Marketing Management** Jayshree Parmar,2013-12-12 Marketing management by Jayshree Parmar Gandhinagar explains basics of marketing **Creating Customer Value Through Strategic Marketing Planning** Edwin J. Nijssen,Ruud T. Frambach,2001 Creating and delivering superior customer value is essential for organizations operating in today's competitive environment. This applies to virtually any kind of organization. It requires a profound understanding of the value creation opportunities in the marketplace choosing what unique value to create for which customers and to deliver that value in an effective and efficient way. Strategic marketing management helps to execute this process successfully and to achieve sustainable competitive advantage in the market place. **Creating Customer Value Through Strategic Marketing Planning** discusses an approach that is both hands on and embedded in marketing and strategy theory. This book is different from most other marketing strategy books because it combines brief discussions of the underlying theory with the presentation of a selection of useful strategic marketing tools. The structure of the book guides the reader through the process of writing a strategic marketing plan. Suggestions for using the tools help to apply them successfully. This book helps students of marketing strategy to understand strategic marketing planning at work and how to use specific tools. Furthermore it provides managers with a practical framework and guidelines for making the necessary choices to create and sustain competitive advantage for their organizations

Gountas,Anton Kriz,Carol Osborne,2015-04-09 **Marketing Strategy and Tactics** Alexander Chernev, The success of an offering is defined by the company's ability to design, communicate and deliver market value. The particular way in which an offering creates value is determined by the company's business model and its two building blocks: strategy and tactics. The key aspects of developing an offering's strategy, designing its tactics and crafting a market value map are the focus of this note. The discussion of marketing strategy and tactics is complemented by an in-depth overview of two additional topics: the 3 C 4 P and 5 Forces frameworks and the key aspects of analyzing the market context. This note is an excerpt from Chapter 2 from Strategic Marketing Management Theory and Practice by Alexander Chernev. Cerebellum Press 2019
