

## Question 1

(a)

**What inspired the story of Mowgli according to the text?**

The story of Mowgli was inspired by tales of feral children who were believed to have been raised by wolves in the wild.

(b)

**Using your own words, explain what the text means by:**

(i) *'animal inhabitants'* (line 2)

This refers to the animals that live in a specific area.

(ii) *'fantastic take'* (line 4)

This means an imaginative or fictional version of a story.

(c)

**Give two examples of myths of children being raised by animals.**

- One example is a child raised by wolves.
- Another is the story of a child raised by bears.

(d)

(i) **Identify two facts that are known about the boy named Ramu.**

- Ramu was found living with wolves in India.
- He exhibited wolf-like behaviors, such as howling.

(ii) **Explain why some people might think that chimpanzees could adopt a human child.**  
Some believe chimpanzees could adopt a human child because they are closely related to humans, sharing similar instincts and nurturing behaviors. Their intelligence and ability to care for their young make this seem plausible.

(e)

**Why are most people unlikely to believe that tales of animals adopting humans are true?**

Most people doubt these stories because they lack scientific evidence. The differences in behavior and communication between humans and animals make such relationships highly improbable, and many of these tales are based on myths or exaggerations.
