

The image shows two statues of female figures, possibly goddesses, standing in a room. They are both wearing long, dark, flowing dresses. The statue on the left has a lighter-colored bodice with a dark belt. Both statues have their wrists bound together in front of them with chains. They are positioned in front of a large window that lets in bright light, creating a strong silhouette effect. To the left of the statues is a wooden door. The floor is made of large, light-colored tiles. The overall atmosphere is somber and dramatic.
