Manual De Python Imaging Library:

Programming Python Mark Lutz, 2010-12-14 If you've mastered Python's fundamentals you're ready to start using it to get real work done. Programming Python will show you how with in-depth tutorials on the language's primary application domains: system administration, GUIs, and the Web. You'll also explore how Python is used in databases, networking, front-end scripting layers, text processing, and more. This book focuses on commonly used tools and libraries to give you a comprehensive understanding of Python's many roles in practical, real-world programming. You'll learn language syntax and programming techniques in a clear and concise manner with lots of examples that illustrate both correct usage and common idioms. Completely updated for version 3.x, Programming Python also delves into the language as a software development tool with many code examples scaled specifically for that purpose. Topics include: Quick Python tour, Build a simple demo that includes data representation, object-oriented programming, object persistence, GUIs, and website basics, System programming, Explore system interface tools and techniques for command-line scripting, processing files and folders, running programs in parallel, and more, GUI programming, Learn to use Python's tkinter widget library, Internet programming, Access client-side network protocols and email tools, use CGI scripts, and learn website implementation techniques, More ways to apply Python, Implement data structures, parse text-based information, interface with databases, and extend and embed Python.

Managing Your Biological Data with Python Allegra Via, Kristian Rother, Anna Tramontano, 2014-03-18 Take Control of Your Data and Use Python with Confidence. Requiring no prior programming experience, Managing Your Biological Data with Python empowers biologists and other life scientists to work with biological data on their own using the Python language. The book teaches them not only how to program but also how to manage their data. It shows how **Proceedings of 12th World Congress on Genetics Applied to Livestock Production (WCGALP)** R.F.
