

# MANICURE & PEDICURE GUIDE

What is it about a professional manicure and pedicure that makes it a powerfully therapeutic experience? I swear that I can walk into a nail salon and an hour later, walk out a brand new woman. But there's not always the time or funds to have regularly spa'd tips and toes. You can definitely get a brilliant manicure and pedicure doing it yourself if you have the right tools lined up. Here's how!

## LET'S GATHER THE ESSENTIALS FIRST. YOU'LL NEED:

- non-acetone nail polish remover and cotton balls
- nail file
- buffering blocks
- sugar scrub to exfoliate
- exfoliating gloves
- cuticle oil
- moisturizer
- nail polish (base coat, color, and top coat)

Manicuring and Pedicuring Mastery Janet McCormick,2024-12-19 Manicuring and Pedicuring Mastery is a practical and systematic approach toward learning a new protocol in manicuring and pedicuring called skincare based manicures and pedicures that takes these services to a new level of success. This book serves as the primary resource for the new protocol and introduces the new skills in a way that every person performing manicures and pedicures can understand and then see improved results with the techniques immediately. Clients also see dramatic improvement over the results of traditional protocols that have been taught in the industry since the time of Cleopatra. Several concepts are described as important to bringing higher success to nail professionals. Analysis becomes the key to defining the needs of the clients. Understanding the conditions of the skin and nails on the hands and feet is associated with choosing the services needed by and recommended to the client. The benefits and steps in soakless services are fully explained plus their reasons for being the preferred care for certain conditions. The protocols for treatment services are described as well as the homecare that supports the professional care. Marketing of the new protocols is discussed and supports markedly increased success for the nail technicians. The benefits of specialization

are discussed for increasing income and profits And more **Milady's Art & Science of Nail Technology** Milady Publishing Company,Milady,1997 This workbook directly follows the theory information found in the student textbook The workbook provides detailed interactive exercises including fill in the blanks word review exercises matching and final review examinations designed to increase student comprehension of nail technology **Exam Review for Milady Standard Nail Technology** Milady,2014-06-11 This review book reflects advances in professional nail technology It attempts to keep pace with and insure a basic understanding of sanitation anatomy physiology and salon business applicable to the nail technician client consultation guidelines chemical safety in the nail salon and basic manicuring and pedicuring procedures Page v
