Girzone,1991-10-01 Two popular parables written by a former priest teach about the power of love Joshua and the Children Joseph F. Girzone,1993 JOSHUA AND THE CHILDREN gracefully continues the teachings and inspirations from the previous bestseller JOSHUA A stronger Joshua arrives in a deceptively ordinary village only to witness the doings of unscrupulous leaders and violent people The children are the first to recognize that something is quite different about this stranger who has come seemingly from nowhere Copyright Libri GmbH All rights reserved **Joshua and the Children** Joseph F. Joshua the carpenter who transforms ordinary lives with words of peace and loving actions have sold more than three million copies and captured the hearts of readers around the world In The Parables of Joshua perhaps his most powerful book since the original Joshua Girzone distills the essence of Christian teaching in entertaining and inspiring bite sized tales set against the background of current society For some today the parables of the New Testament are quaint old fashioned stories with little relevance to everyday life in the twenty first century As Girzone writes in his Introduction I have heard the most callous people comment with such great piety on the parables that I could not help but wonder if we haven t made parables pleasant sounding fables about human situations long past but with no present day meaning In order to recapture their original vitality Girzone revives the timeless messages behind the original parables by dressing them in modern clothes presenting them through Joshua in a conversational style that will resonate with a modern audience

Joshua in a Troubled World Joseph F. Girzone,2005-02-15 The bestselling Joshua series takes an invigorating timely new turn as Girzone s beloved hero spreads his message of love and compassion from the streets of our nation s capital to the blood soaked lands of the Middle East Joseph Girzone possesses a unique ability to make Jesus words and actions come to life for contemporary audiences His fictional depictions of Jesus return to the present day world the Joshua series have inspired millions of readers Joshua in a Troubled World is at once a magnificent continuation of his perennially popular series and an enlightening perspective on the political paranoia and destructive acts of vengeance that fill the front pages of our daily newspapers Arriving in Washington D C Joshua walks along Pennsylvania Avenue with a cool detachment and determination that sets him apart from the bustling crowds Under ordinary circumstances he would no doubt be seen simply as a man wrapped in his own thoughts But in these security obsessed times his Middle Eastern appearance and his spontaneous stops at various churches temples and mosques inevitably arouse suspicions Taken into custody by two government agents Joshua challenges the legal and moral justness of their actions and they reluctantly release him to

continue his mission It is the most difficult and controversial mission he has ever undertaken a plan to unite Arab and Jewish Americans and to work with them to resolve the bitter wars and religious animosities in the Middle East Peopled with prominent figures such as Ariel Sharon and moving from Washington to Beirut and then to Oslo while the peace accords are being hammered out Joshua in a Troubled World explores the most explosive issues of our day and offers a realistic compassionate assessment of the things that divide us and the beliefs that can serve as a foundation for a new more peaceful world

The End of Suffering Joseph F. Girzone,2013 Is suffering inescapable What is its meaning Its purpose How can we get through it Transcend it This is a book of Christian hope and inspiration for anyone who suffers and that is all of us It offers practical wisdom for those who suffer from Guilt Loneliness Physical pain Abuse Loss Low self esteem Anxiety and Fear As difficult a problem as suffering is for us to understand writes the author this book is a modest attempt to try to help myself as well as others to approach this impossible phenomenon in a way in which we can at least see some beneficial and positive purposes flowing from our suffering

Joshua Joseph F. Girzone,1991-01-01 Joseph Girzone wrote his parable in 1983 and published it himself with neither accompanying fanfare nor expectation of the extraordinary effect it would have on people around the world With only word of mouth for advertising and by virtue of its siniple message of love Joshua became an international force of spiritual strength after its modest beginnings Joshua and its sequels have millions of readers around the world and continue to bring hope and peace to all who seek nourishment When Joshua moves to a small cabin on the edge of town the local people are at first mystified then confused by his presence A quiet and simple man Joshua appears to seek nothing for himself He supports himself solely by carpentry and woodworking and he charges very little for his services Yet his work is exquisite Even more exquisite and even more mysterious is the extraordinary effect he has on everyone he meets All who come in contact with him can t help but be transformed by his incredible warmth The acceptance and love in his eyes and in each actions amazes the townspeople Who is Joshua and just what is he up to The answer to that question amazes them almost as much discovery of that same transforming power in each of their own hearts From the Hardcover edition
