## **Holy Scripture A Dogmatic Sketch:**

Holy Scripture John Webster, 2003-10-23 May we speak in the present age of holy scripture And what validation of that claim can be offered robust enough to hold good for both religious practice and intellectual enquiry John Webster argues that while any understanding of scripture must subject it to proper textual and historical interrogation it is necessary at the same time to acknowledge the special character of scriptural writing His 2003 book is an exercise in Christian dogmatics a loud reaffirmation of the triune God at the heart of a scripture based Christianity But it is written with intellectual rigour by a theologian who understands the currents of modern secular thought and is able to work from them towards a constructive position on biblical authority It will resonate with anyone who has wondered or worried about the grounds on which we may validly regard the Bible as God s direct communication with humanity

*Holy Scripture* John Webster, 2003-10-23 John Webster argues that whereas any understanding of scripture must be subject to appropriate textual and historical interrogation it is also necessary to acknowledge the special character of scriptural writing His book strongly reaffirms that the triune God is at the core of a scripture based Christianity Written with intellectual enthusiasm by a theologian who understands the currents of modern secular thought the volume develops a constructive position on biblical authority

*The Heart of Dogmatics* Bruce R. Pass, 2020-11-16 The christocentric character of Herman Bavinck s thought has long been acknowledged but an analysis of Bavinck s christocentrism has not been forthcoming The Heart of Dogmatics redresses this situation offering a comprehensive study of Bavinck s concept of a christocentric theological system Building on the more recent secondary literature Pass draws attention to many unexplored avenues in Bavinck s writings In particular Pass sheds light on the intimate connection between Bavinck s christocentrism and his organicism Delving deeply into Bavinck s appropriation of Reformed Orthodoxy and German Idealism Pass presents a compelling account of this thinker s attempt to establish Neo Calvinism as a modern orthodoxy By way of conclusion pertinent ways in which Bavinck s christocentrism may prove a useful resource for contemporary projects of theological retrieval are explored in a comparison of Bavinck and John Webster

**Ruled Reading and Biblical Criticism** Matthew T. Bell, 2019-11-04 In Ruled Reading and Biblical Criticism Matthew T Bell contends that the gulf in interpretive priorities between ancient and modern readers has been exaggerated and that careful study of early Christian reading practices suggests that it is both possible and productive to recontextualize early Christian ruled reading for a postmodern setting Modern prejudice holds that ancient Christian interpretation was relatively unconcerned with history and concomitantly determined to foist extrascriptural doctrinal commitments onto scripture silencing those layers of scripture s meaning that modern criticism has been most concerned with uncovering In this book Bell argues that when the ethos and theology of reading in the early Church are taken into account premodern interpretive priorities turn out to be less implausible than the modern world has believed them to be Through close reading of ancient Christian texts Bell outlines an ontology of scripture wherein the relationship between early Christianity s Rule of

Faith on one hand and its scriptures on the other was expressly constructed as a hermeneutical spiral the slant of which was designed to attend to and be edified by textually mediated conundrums and intellectual provocations Viewed along that spiral the Church's Rule was as scriptural as the Church's catalog of scriptures was ruled This book will be welcomed by academics who study early Christianity and scripture as well as scholars interested in reconsidering Christian hermeneutical questions for a postmodern age

**Collected Writings on Scripture** D. A. Carson, 2010-07-01 God's Word has always had enemies but in recent years the inspiration and authority of Scripture have been attacked with renewed vigor Respected scholar D A Carson has written widely on the nature of Scripture over the past thirty years and here presents a timely collection of his work in two parts In part 1 Carson selects essays written on such themes as how to interpret the Bible recent developments in the doctrine of Scripture unity and diversity in the New Testament and redaction criticism Presenting a theologically balanced and confessional perspective Carson defines the terms of a number of debates critiques interpretive methods and theories and suggests positive guidelines for future action Part 2 presents critical reviews of nine books dealing with the inspiration and authority of Scripture Though substantial in content Carson's detailed reviews will foster careful thought and perspective in those who are relatively new to the debates surrounding biblical inspiration and authority This volume is a diverse collection that will prove to be a helpful resource to both seasoned pastors and scholars and those who are just starting serious study of the Bible

archives recent ideological conflict in Reformation studies and contemporary issues in the Reformed Church in America  
Publisher     *Scripture and the Authority of God* Nicholas Thomas Wright, 2005 This book approaches the question of the authority of scripture from a different angle It is after all God himself who possesses all authority and God's authority is not primarily about giving right answers to disputed questions but about his sovereign saving purposes being accomplished through Jesus Christ and the Holy Spirit What might it mean for the Bible to be a vessel or channel of that powerful authority Asking the question this way round opens up new angles on many other issues the relation of scripture tradition and reason the place of experience the many sided problems of the use and abuse of the Bible in relation to personal and public life
