House of Assassins Larry Correia, 2019-02-05 LARRY CORREIA S BEST SELLING EPIC FANTASY SERIES SAGA OF THE FORGOTTEN WARRIOR CONTINUES Ashok Vadal was once a member of the highest caste in all of Lok As a Protector he devoted his life to upholding the Law rooting out those who still practiced the old ways and delivering swift justice with his ancestor blade Angruvadal None was more merciless than he in stamping out the lingering belief in gods and demons among the casteless His brutality was legendary and celebrated But soon Ashok learned that his life to that point had been a lie He himself senior member of the Protector Order was casteless He had been nothing more than an unwitting pawn in a political game His world turned upside down and finding himself on the wrong side of the Law he began a campaign of rebellion war and destruction unlike any Lok had ever seen Thera had been first daughter of Vane A member of the Warrior Order she had spent her life training for combat Until a strange sight in the heavens appeared one day Thera was struck by lightning and from that day forward she heard the Voice A reluctant prophet with the power to see into the future she fought alongside Ashok Vadal and his company of men known as the Sons of the Black Sword until a shapeshifting wizard with designs on her powers of precognition spirited her away He holds her prisoner in the House of Assassins Ashok Vadal and the Sons of the Black Sword march to rescue Thera With his sword Angruvadal Ashok was unstoppable But Angruvadal is gone shattered to pieces on the demon possessed husk of a warrior Now Ashok must fight without the aid of the magic blade for

the first time Thera's life depends on it. But there is much more at risk in the continent of Lok. Strange forces are working behind the scenes. Ashok Vadal and the Sons of the Black Sword are caught up in a game they do not fully understand with powerful forces allied against them. Ashok no longer knows what to believe. He is beginning to think perhaps the gods really do exist. If so, he's warned them to stay out of his way. They would do well to listen. At the publisher's request, this title is sold without DRM (Digital Rights Management).

About House of Assassins: Correia piles on the intrigue, action, and cliffhangers in the invigorating second Saga of the Forgotten Warrior epic fantasy. Correia also weaves in elements that question the value of belief and the cost of giving authority to those who find more profit in preying on the weak. Brisk fight scenes, lively characters, and plenty of black humor continue to make this series a real pleasure.

1 IN A NEW EPIC FANTASY SERIES from Monster Hunter series creator and New York Times best-selling author Larry Correia. After the War of the Gods, the demons were cast out and fell to the world. Mankind was nearly eradicated by the seemingly unstoppable beasts until the gods sent the great hero Ramrowan to save them. He united the tribes, gave them magic, and drove the demons into the sea. Ever since, the land has belonged to man, and the oceans have remained an uncrossable hell, leaving the continent of Lok isolated. It was prophesied that someday the demons would return, and only the descendants of Ramrowan would be able to defeat them. They became the first kings, and all men served those who were their only hope for survival. As centuries passed, the descendants of the great hero grew in number and power. They became tyrannical and cruel, and their religion, nothing but an excuse for greed. Gods and demons became myth and legend, and the people no longer believed. The castes created to serve the Sons of Ramrowan rose up and destroyed their rulers. All religion was banned and replaced by a code of unflinching law. The surviving royalty and their priests were made casteless, condemned to live as untouchables, and the Age of Law began. Ashok Vadal has been chosen by a powerful ancient weapon to be its bearer. He is a Protector, member of an elite militant order of roving law enforcers. No one is more merciless in rooting out those who secretly practice the old ways. Everything is black or white, good or evil, until he discovers his entire life is a fraud. Ashok isn't who he thinks he is, and when he finds himself on the wrong side of the law, the consequences lead to rebellion, war, and destruction.

About [Son of the Black Sword](#): This book has everything I like in fantasy: intense action scenes, evil in a horrifying array, good struggling against the darkness, and most of all, people gorgeously flawed. Human beings faced with horrible moral choices that force them to question and change and grow.

Jim Butcher, creator of the New York Times best-selling Dresden Files. Best-selling fantasy author Correia casts a compelling spell with this India-influenced series opener. Correia skillfully sets in motion this story of plots within plots, revealing complex, sympathetic characters and black-hearted villains with equal detail and insight. Full of action, intrigue, and wry humor, this exciting series launch promises many more thrills to come.
