## **Frontline Ukraine Crisis In The Borderlands:**

**Frontline Ukraine** Richard Sakwa, 2014-12-18 The unfolding crisis in Ukraine has brought the world to the brink of a new Cold War As Russia and Ukraine tussle for Crimea and the eastern regions relations between Putin and the West have reached an all time low How did we get here Richard Sakwa here unpicks the context of conflicted Ukrainian identity and of Russo Ukrainian relations and traces the path to the recent disturbances through the events which have forced Ukraine a country internally divided between East and West to choose between closer union with Europe or its historic ties with Russia In providing the first full account of the ongoing crisis Sakwa analyses the origins and significance of the Euromaidan Protests examines the controversial Russian military intervention and annexation of Crimea reveals the extent of the catastrophe of the MH17 disaster and looks at possible ways forward following the October 2014 parliamentary elections In doing so he explains the origins developments and global significance of the internal and external battle for Ukraine With all eyes focused on the region Sakwa unravels the myths and misunderstandings of the situation providing an essential and highly readable account of the struggle for Europe s contested borderlands The Ukraine Conflict Derek Averre, Kataryna Wolczuk, 2018-10-19 It is not hyperbole to suggest that the foundations of post cold war security in Europe have been badly damaged by the conflict in Ukraine since 2014 Russia s annexation of Crimea and intervention in eastern Ukraine appear to have created a simmering conflict which may take years to resolve and have profound consequences for the European security environment This volume explores the various political economic and social aspects of these profound changes and their wider significance for Europe bringing together contributions by scholars from across the continent and in various disciplinary fields to offer an authoritative in depth examination of the complex causes of the Ukraine crisis and the consequences for Ukrainian statehood Ukraine s relations with Russia Russia s own domestic governance and Russia s relations with Europe This book was originally published as a special issue of Europe Asia Studies **Ukraine in the Crossfire** Chris Kaspar de Ploeg, 2017-04-05 Ukraine is embroiled in a bloody civil war Both sides stand accused of collaborating with fascists of committing war crimes of serving foreign interests This proxy war between Russia and the West was accompanied by a fierce information war This book separates fact from fiction with extensive and reliable documentation While remaining critical of Russia and the Donbass rebellion De Ploeg demonstrates that many of the recent disasters can be traced to Ukrainian ultranationalists pro western political elites and their European and North American backers Ukraine in the Crossfire tackles the importance of ultranationalist violence during and after the EuroMaidan movement and documents how many of these groups are heirs to former nazi collaborators It shows how the Ukrainian state has seized on the ultranationalist war rhetoric to serve its own agenda clamping down on civil liberties on a scale unprecedented since Ukrainian independence De Ploeg argues that Kiev itself has been the biggest obstacle to peace in Donbass with multiple leaks suggesting that US officials are pushing for a pro war line in Ukraine With the nation s eyes turned towards Russia the

EU and IMF have successfully pressured Ukraine into adopting far reaching austerity programs while oligarchic looting of state assets and massive tax avoidance facilitated by western states continue unabated De Ploeg documents the local roots of the Donbass rebellion the overwhelming popularity of Crimea s secession and shows that support for Ukraine s pro western turn remains far from unanimous with large swathes of Ukraine s Russophone population opting out of the political process Nevertheless De Ploeg argues the pro Western and pro Russian camps are often similar neoliberal authoritarian nationalist and heavily dependent on foreign support In a wider exploration of Russo Western relations he examines similarities between the contemporary Russian state and its NATO counterparts showing how the two power blocs have collaborated in some of their worst violent excesses A far cry from civilizational or ideological clashes De Ploeg argues that the current tensions flow from NATO s military dominance and aggressive posture both globally and within eastern Europe where Russia seeks to preserve the status quo Packed with shocking facts deftly moving from the local to the international from the historical to the recent De Ploeg connects the dots

**Journal of Soviet and Post-Soviet Politics and Society** Julie Fedor,Andriy Portnov,Andreas Umland,2014-04-01 The Russian war in Ukraine has been accompanied fuelled and legitimized by a Russian information war campaign that is unprecedented in its scope and nature This Russian state media propaganda campaign has been surprisingly successful in disguising and distorting the nature of the war and shaping the way it is perceived and understood both in Russia and beyond This special inaugural issue of JSPPS sets out to launch an interdisciplinary discussion on the Russian information warfare being waged in parallel with the military war in Ukraine The JOURNAL OF SOVIET AND POST SOVIET POLITICS AND SOCIETY JSPPS is a new bi annual journal about to be launched as a companion journal to the Soviet and Post Soviet Politics and Society SPPS book series founded 2004 and edited by Andreas Umland Dr phil PhD

**Putin Confronts the West** René De La Pedraja,2021-03-22 Russia s surprising return to the world stage since 2000 has aroused the curiosity if not the fear of the West Gradually the Kremlin went from a policy of deference to foreign powers to acting with independence The driver of this transformation was President Vladimir Putin who with skillful caution navigated Russia back into the ranks of global powers In theaters of conflict such as Georgia Syria and Ukraine the Kremlin won significant victories at little cost to consolidate its decisive position Following a chronological approach from the fall of the Soviet Union to the present this book draws on new documents to describe how Russia regained its former global prominence Clear accounts of key decisions and foreign policy events many presented for the first time provide important insights into the major confrontations with the West

**Return to Moscow** Anthony Charles Kevin,2017 Forty eight years ago a young and apprehensive Tony Kevin set off on his first diplomatic posting to Moscow at the height of the Cold War In the Russian winter of 2016 he returns alone a private citizen aged 73 What will he find How has Russia changed since those grim Soviet days Tony Kevin had a successful and challenging diplomatic career ending with ambassadorships to Poland 1991 94 and Cambodia 1994 97 He now applies his attention to Russia Tony Kevin invites readers to see this great nation

anew to explore with him the complex roots of Russian national identity and values drawing on its traumatic recent seventy year Soviet Communist past and its momentous thousand year history as a great Orthodox Christian nation that has both loved and feared the West and which the West has loved and feared back in equal measure *Мировая экономика и международные отношения* ,2016 *Kultūros barai* ,2019 **Russia Against the Rest** Richard Sakwa,2017-10-12 This book examines how Putin's Russia emerged as one of the great powers demanding recognition of its status in international politics *The Putin Paradox* Richard Sakwa,2020-02-06 Vladimir Putin has emerged as one of the key leaders of the twenty first century However he is also recognized as one of the most divisive Abroad his assertion of Russia's interests and critique of the western dominated international system has brought him into conflict with Atlantic powers Within Russia he has balanced various factions within the elite intelligentsia alongside the wider support of Russian society So what is the Putin paradox Richard Sakwa grapples with Putin's personal and political development on both the international political scene and within the domestic political landscape of Russia This study historicizes the Putin paradox through theoretical historical and political analysis and in light of wider developments in Russian society Richard Sakwa presents the Putin paradox as a unique regime type balancing numerous contradictions in order to adapt to its material environment while maintaining sufficient authority with which to shape it *Political Science Abstracts* ,1993-08-31 Political Science Abstracts is an annual supplement to the Political Science Government and Public Policy Series of The Universal Reference System which was first published in 1967 All back issues are still available Borderlands into Bordered Lands Tatiana Zhurzhenko,2010-09-07 Since 1991 post Soviet political elites in Ukraine Russia and Belarus have been engaged in nation as well as state building They have tried to strengthen territorial sovereignty and national security re shape collective identities and re narrate national histories Former Soviet republics have become new neighbours partners and competitors searching for geopolitical identity in the new Eastern Europe i.e the countries left outside the enlarged EU Old paradigms such as Eurasia or East Slavic civilisation have been re invented and politically instrumentalized in the international relations and domestic politics of these countries At the same time these old concepts and myths have been contested and challenged by pro Western elites *Borderlands into Bordered Lands* examines the construction of post Soviet borders and their political social and cultural implications It focuses on the exemplary case of the Ukrainian Russian border approaching it as a social construct and a discursive phenomenon Zhurzhenko shows how the symbolic meanings of and narratives on this border contribute to national identity formation and shape the images of the neighbouring countries as the Other thereby shedding new light on the role of border disputes between Ukraine and Russia in bilateral relations in EU neighbourhood politics and in domestic political conflicts Zhurzhenko also addresses border making on the regional level focusing on the cross border cooperation between Kharkiv and Belgorod and on the dilemmas of a Euroregion in absence of Europe Finally she reflects the everyday experiences of the residents of near border villages and shows how national and local identities are performed at and

transformed by the new border Borderlands into Bordered Lands was honored by the American Association for Ukrainian Studies as best book 2009 2010 in the field of Ukrainian history politics language literature and culture For more information view [www.ukrainianstudies.org](http://www.ukrainianstudies.org) **Prospective on Ukraine Crisis** Iulian Chifu,Oazu Nantoi,Alyona Getmanchuk,2015

Through Times of Trouble Anna Matveeva,2017-12-20 This book tells the story of insurgency in Ukraine s Donbas region from the perspective of the rebels who sought and continue to seek either independence from Ukraine or unification with Russia As such it provides a unique insight into their thinking and motivations which need to be understood if the conflict is to be resolved Those making and remaking the conflict are placed in the centre of the story which uses the words of the combatants themselves It shows how volunteer fighters driven by a wide and diffuse set of motivations emerged from Ukraine Russia and different parts of the world stood at the rebellion s heart The book focuses on the participants own voices and personalities drawing extensively on first hand research and interviews Rather than rendering Ukraine a chess piece on the geopolitical board the rebellion shows that ordinary people rather than elites can act as a decisive force Donbas says something about why large numbers of people make the decision to take part in a collective violent action when material rewards are low or non existent and mortal risks high It stands as an important text on the study of modern insurgencies revealing how violent conflicts happen via issues of politicized identity and involvement of non state actors This book places this conflict into the context of other conflicts worldwide and demonstrates how ideas and narratives are constructed to provide meaning to a struggle The insurgency has produced a conflict sub culture rich with symbolism narrative and communications made possible by the digital age and a social media savvy population These beliefs and ideas have had the power to pull people from different parts of the world This book follows the stages of assembling different conflict ingredients together and the rebellion s zigzagging fortunes after it became apparent that Moscow was not going to repeat the Crimea scenario in Donbas It analyses the logic of armed struggle and the tactics deployed by warring parties It also sheds light on the developments in Moscow discusses the phenomenon of the Russian Spring movement and concludes with the prospects for a peaceful solution Conflict in Ukraine Rajan Menon,Eugene B. Rumer,2015-01-16 One of The New York Times 6 Books to Read for Context on Ukraine A short and insightful primer to the crisis in Ukraine and its implications for both the Crimean Peninsula and Russia s relations with the West New York Review of Books The current conflict in Ukraine has spawned the most serious crisis between Russia and the West since the end of the Cold War It has undermined European security raised questions about NATO s future and put an end to one of the most ambitious projects of U S foreign policy building a partnership with Russia It also threatens to undermine U S diplomatic efforts on issues ranging from terrorism to nuclear proliferation And in the absence of direct negotiations each side is betting that political and economic pressure will force the other to blink first Caught in this dangerous game of chicken the West cannot afford to lose sight of the importance of stable relations with Russia This book puts the conflict in historical perspective by examining the evolution of the crisis

and assessing its implications both for the Crimean Peninsula and for Russia's relations with the West more generally. Experts in the international relations of post-Soviet states, political scientists Rajan Menon and Eugene Rumer clearly show what is at stake in Ukraine, explaining the key economic, political and security challenges and prospects for overcoming them. They also discuss historical precedents, sketch likely outcomes and propose policies for safeguarding U.S.-Russia relations in the future. In doing so, they provide a comprehensive and accessible study of a conflict whose consequences will be felt for many years to come.

**Neighbourhood Perceptions of the Ukraine Crisis** Gerhard Besier, Katarzyna Stokłosa, 2017. Discussing different perceptions of the Ukrainian-Russian war in neighbouring countries, this book offers an analysis of the conflicts and issues connected with the shifting of the border regions of Russia and Ukraine to show how material and psychological borders are never completely stable ideas.

**Everyone Loses** Samuel Charap, Timothy J. Colton, 2017. The negative-sum outcome we behold in today's Ukraine crisis is the tragic outcome of the zero-sum policies that were increasingly pursued by Russia, the United States and the EU since the end of the Cold War.

**The Return of the Cold War** J. L. Black, Michael Johns, 2016-04-14. This book examines the crisis in Ukraine, tracing its development and analysing the factors which lie behind it. It discusses above all how the two sides have engaged in political posturing, accusations, escalating sanctions and further escalating threats, arguing that the ease with which both sides have reverted to a Cold War mentality demonstrates that the Cold War belief systems never really disappeared and that the hopes raised in the aftermath of the collapse of the Soviet Union for a new era in East-West relations were misplaced. The book pays special attention to the often ignored origins of the crisis within Ukraine itself and the permanent damage caused by the fact that Ukrainians are killing Ukrainians in the eastern parts of the country. It also assesses why Cold War belief systems have re-emerged so easily and concludes by considering the likely long-term ramifications of the crisis, arguing that the deep-rooted lack of trust makes the possibility of compromise even harder than in the original Cold War.

**Media and the Ukraine Crisis** Mervi Pantti, 2016. This book offers unique insights into how news media today make disasters culturally meaningful and politically important, drawing on cutting-edge theoretical work and recent examples. It looks at how globalization is affecting the meanings of disaster but also considers the continued relevance of nations and their citizens as interpretive frameworks.

**The Ukraine Crisis: The Battle of Superpowers**, 2016.

When people should go to the ebook stores, search commencement by shop, shelf by shelf, it is really problematic. This is why we give the ebook compilations in this website. It will entirely ease you to look guide **Frontline Ukraine Crisis In The Borderlands** as you such as.

### **Frontline Ukraine Crisis In The Borderlands Introduction**

In the digital age, access to information has become easier than ever before. The ability to download Frontline Ukraine Crisis In The Borderlands has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Frontline Ukraine Crisis In The Borderlands has opened up a world of possibilities. Downloading Frontline Ukraine Crisis In The Borderlands provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Frontline Ukraine Crisis In The Borderlands has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Frontline Ukraine Crisis In The Borderlands. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Frontline Ukraine Crisis In The Borderlands. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Frontline Ukraine Crisis In The Borderlands, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Frontline Ukraine Crisis In The Borderlands has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### FAQs About Frontline Ukraine Crisis In The Borderlands Books

1. Where can I buy Frontline Ukraine Crisis In The Borderlands books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
