rather keep hidden to maintain his privilege and protect his friends Between these two men there is a woman a loving stepmother and a faithful wife who tries to reconcile her stepson and her husband With quiet faith and patience she lives with the great irony in their differences arising out of the son s firm belief in the moral principles his father taught him while her husband s own faith in his early teachings has been eroded by complacency and compromise after years in office Father and son are set on a warpath Behind the scenes in this struggle the spirits of their ancestors are at work The interplay is quite thrilling as African folklore religion and contemporary politics mix dramatically in this book to see if good triumphs over evil Mighty Max Carrie Weston,2010-07-01 A fun story for young readers about Max the mighty monster who also happens to be a big show off **Time** Briton Hadden,Henry Robinson Luce,1985 Max-a-million Trina Wiebe,2011 When Max learns that it is possible to get financial rewards for helping others he decides to become a superhero and perform rescues but the only one to need rescuing is a dog whose owner is anything but grateful **The Measure of Margaret** Isabel Brown Rose,1927 **Popular Series Fiction for K-6 Readers** Rebecca L.
