Mediated Utopias From Literature To Cinema Mediated Fictions:

Mediated Utopias Artur Blaim,Ludmila Gruszewska-Blaim,2015 The work comprises adaptation studies of selected utopian dystopian fictions written and filmed in Europe and America during the last century It focusses on ways of constructing fictional realities as well as on techniques of rendering literary utopias dystopias into film and allows a deep insight into the history of cinema **Critical Perspectives on Hollywood Science Fiction** Stephen Trinder,2019-12-18 The 2003 invasion of Iraq and the global recession of 2008 have contributed heavily to popular criticism of neoliberalism This book investigates James Cameron s Avatar 2009 Neill Blomkamp s District 9 2009 and Elysium 2013 Len Wiseman s Total Recall 2012 and the Wachowskis and Tom Tykwer s independent epic Cloud Atlas 2012 to examine how far this model is critically interrogated in science fiction cinema The subject is a critical one upon reflection of the role that a heavily ingrained allegiance to neoliberal and colonial discourse in mainstream politics and media has played in the rise of populist right wing politics growing worldwide income inequality and in particular cultivating racist attitudes towards the Other

The Campus Novel ,2019-01-04 The Campus Novel Regional or Global presents innovative scholarship in the field of academic fiction Whereas the campus novel is traditionally considered a product of the Anglo American world the present study opens a new perspective it elucidates the intercultural exchange between the well established Western canon of British and American academic fiction and its more recent regional response outside the Anglo American territory **Dystopia on**

Demand: Technology, Digital Culture, and the Metamodern Quest in Complex Serial Dystopias Laura Winter,2024-01-29 Serial storytelling has the advantage of unlocking rather than simplifying the complexities of digital culture With their worldbuilding potential TV series open up new artistic horizons particularly for the dystopian genre Situated at the nexus of dystopia complex TV and a metamodern cultural logic Dystopia on Demand Technology Digital Culture and the Metamodern Quest in Complex Serial Dystopias offers readers novel insights into the dynamics of serial dystopias in the contemporary streaming landscape Introducing the term complex serial dystopias to describe series that allow audiences to engage with the dystopian premise from multiple angles the book examines four Anglo American series including Black Mirror Mr Robot Westworld and Kiss Me First The in depth analyses trace the variety of ways in which these series offer critical reflections on the human technology entanglement in digital culture **Dystopia** Gregory

Claeys,2016-11-17 Dystopia A Natural History is the first monograph devoted to the concept of dystopia Taking the term to encompass both a literary tradition of satirical works mostly on totalitarianism as well as real despotisms and societies in a state of disastrous collapse this volume redefines the central concepts and the chronology of the genre and offers a paradigm shifting understanding of the subject Part One assesses the theory and prehistory of dystopia By contrast to utopia conceived as promoting an ideal of friendship defined as enhanced sociability dystopia is defined by estrangement fear and the proliferation of enemy categories A natural history of dystopia thus concentrates upon the centrality of the passion or

emotion of fear and hatred in modern despotisms The work of Le Bon Freud and others is used to show how dystopian groups use such emotions Utopia and dystopia are portrayed not as opposites but as extremes on a spectrum of sociability defined by a heightened form of group identity The prehistory of the process whereby enemies are demonised is explored from early conceptions of monstrosity through Christian conceptions of the devil and witchcraft and the persecution of heresy Part Two surveys the major dystopian moments in twentieth century despotisms focussing in particular upon Nazi Germany Stalinism the Chinese Cultural Revolution and Cambodia under Pol Pot The concentration here is upon the political religion hypothesis as a key explanation for the chief excesses of communism in particular Part Three examines literary dystopias It commences well before the usual starting point in the secondary literature in anti Jacobin writings of the 1790s Two chapters address the main twentieth century texts usually studied as representative of the genre Aldous Huxley s Brave New World and George Orwell s Nineteen Eighty Four The remainder of the section examines the evolution of the genre in the second half of the twentieth century down to the present

Negotiating the Mediated City Zlatan Krajina,2013-11-26 This book is an interdisciplinary empirical investigation of how people interact with public screens in their daily lives In more and more surprising locations screens of various kinds appear within the sightlines of passers by in contemporary cities Outdoor advertisers target audiences which are increasingly mobile public art uses screens to interrogate urban change while postmodern architecture finds electronic imagery a suitable tool of expression Traditionally urban sociology research has assumed that people seek to filter urban stimuli but recent accounts of public screens suggest producers design and position display interfaces site specifically so as to engage with those moving past This study offers insight both into the dynamics of actual encounters and into the long term process of how people learn to live with repeated invitations to consume media in public spaces The book includes four cases street advertising underground transport advertising and installation art in London UK and media facade architecture in Zadar Croatia Krajina shows that maintaining familiarity with everyday surroundings in media cities that change beyond citizens control is a temporary achievement and a recursive struggle Finalist for the Jane Jacobs Urban Communication Foundation book award 2014

Utopian Visions and Revisions Artur Blaim,2017 The book employs the concepts of utopia dystopia and anti utopia in the analysis of a variety of phenomena such as literature cinema rock music literary cultural theories as well as the practice of literature socialist realism and socio political life

Science Fiction, Fantasy & Horror ,1991 A comprehensive bibliography of books and short fiction published in the English language

A Novel Approach To Politics: Introducing Political Science Through Books, Movies, and Popular Culture Douglas A Van Belle,Kenneth M Mash,2006-11-01 What if we told you that a textbook could be funny and irreverent utilizing popular books movies music and television shows to introduce political science concepts This novel approach to explaining our need for government and the intrigue of politics is a reality Van Belle and Mash do not compromise on the content you want and need nor do they stint on real world political examples throughout the book The

basics and the depth are all here. The added innovation to hook students through the popular culture they're already plugged into. Simply put, you will never hear complaints that this is a typical or boring textbook. From references to 1984 and Lord of the Flies to mentions of The Matrix and A Clockwork Orange, you'll be surprised by how the core concepts of political science, institutions, ideology, economics, elections, culture, national politics, and international relations are interwoven with a highly entertaining discussion of popular culture.
