Four Perfect Pebbles:

Four Perfect Pebbles Lila Perl, Marion Blumenthal Lazan, 2016-10-18 The twentieth anniversary edition of Marion Blumenthal Lazan's acclaimed Holocaust memoir features new material by the author a reading group guide a map and additional photographs. The writing is direct, devastating, with no rhetoric or exploitation. The truth is in what's said and in what is left out. ALA Booklist starred review. Marion Blumenthal Lazan's unforgettable and acclaimed memoir recalls the devastating years that shaped her childhood. Following Hitler's rise to power the Blumenthal family father, mother, Marion and her brother Albert were trapped in Nazi Germany. They managed eventually to get to Holland but soon thereafter it was occupied by the Nazis. For the next six and a half years the Blumenthals were forced to live in refugee transit and prison camps including Westerbork in Holland and Bergen Belsen in Germany before finally making it to the United States. Their story is one of horror and hardship but it is also a story of courage, hope, and the will to survive. **Four Perfect Pebbles** features forty archival photographs including several new to this edition an epilogue a bibliography a map a reading group guide an index and a new afterword by the author. First published in 1996 the book was an ALA Notable Book an ALA Quick Pick for Reluctant Readers and IRA Young Adults Choice and a Notable Trade Book in the Field of Social Studies and the recipient of many other honors. A harrowing and often moving account. School Library Journal

Four Perfect Pebbles: Lila Perl, Marion Blumenthal Lazan, 1999-11-03 If she could find four perfect pebbles of almost exactly the same size and shape it meant that her family would remain whole. Mama and papa and she and Albert would survive Bergen Belsen. The four of them might even survive the Nazis' attempt to destroy every last Jew in Europe

100 Common Misconceptions about Four Perfect Pebbles Max Root, 2013-03 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of **Four Perfect Pebbles**. A Holocaust Story. Don't say we didn't warn you these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy. Don't buy this book if 1 You don't have nerves of steel 2 You expect to get pregnant in the next five minutes 3 You've heard it all

Holocaust Memories Claudia Moscovici, 2019-05-16 Nearly eighty years have passed since the Holocaust. There have been hundreds of memoirs, histories, and novels written about it, yet many fear that this important event may fall into oblivion. As Holocaust survivors pass away their legacy of suffering, tenacity, and courage could be forgotten. It is up to each generation to commemorate the victims, preserve their life stories, and hopefully help prevent such catastrophes. These were my main motivations in writing this book. **Holocaust Memories** which includes reviews of memoirs, histories, biographies, novels, and films about the Holocaust. It was difficult to choose among the multitude of books

on the subject that deserve our attention I made my selections based partly on the works that are considered to be the most important on the subject partly on wishing to offer some historical background about the Holocaust in different countries and regions that were occupied by or allied themselves with Nazi Germany and partly on my personal preferences interests and knowledge The Nazis targeted European Jews as their main victims so my book focuses primarily on them At the same time since the Nazis also targeted other groups they considered dangerous and inferior I also review books about the sufferings of the Gypsies the Poles and other groups that fell victim to the Nazi regimes In the last part I review books that discuss other genocides and crimes against humanity including the Stalinist mass purges the Cambodian massacres by the Pol Pot regime and the Rwandan genocide I want to emphasize that history can indeed repeat itself even if in different forms and contexts Just as the Jews of Europe were not the only targets of genocide Fascist regimes were not its only perpetrators **Gotcha!**
