### **Matthew 28 19 Triadic Jewish Or Trinitarian:**

*Matthew 28* Kulwant Singh Boora,2014-11-01 This scholarly and theological work by Mr Kulwant Singh Boora will prove to be a rich resource for all those who study the Word of God whether theologians educators pastors or laymen The research is fresh extensive and unparalleled in the apostolic movement Mr Boora takes a unique approach by exploring Matthew 28 19 from three perspectives as the title suggests Triadic Jewish and Trinitarian He cites a broad collection of views from among the world s most credible scholars who address the history and meaning of perhaps the most important verse in the Bible pertaining to the foundation of Christian doctrine The conclusive evidence for the baptism in Jesus Name is explicit Every preacher should read this book Every Christian should take note of the forceful significance of this one verse Matthew 28 19

**The Roman Catholic Church and Its Recognition of the Validity of Baptism in the Name of Jesus (Acts 2:38) from 100 A.D. to 500 A.D.** Kulwant Singh Boora,2011-08-08 The patristic period saw the shift towards baptism in the trinitarian form being a later liturgical development the original form being in the name of Jesus Christ Acts 2 38 It is granted that documentary evidence has been preserved quite remarkably from the patristic period to at least the fifth century that shows and demonstrates the recognition of baptism in the name of Jesus by the Roman Catholic Church To such an extent that even the Roman Catholic Church has noted the validity of baptism in the name of Jesus in a recent call for ecumenical dialogue Roman Catholic scholars and theologians alike are in agreement with the baptismal formula of the name of Jesus and make no pretense about it to the degree that even during the Ante Nicene period we find a trial of individual s who baptized in the name of Jesus flowing from period of the early Greek apologist s The patristic era to the fifth century will present a large body of literature that convincingly shows baptism in the name of Jesus being validly recognized even within literature housed within the collection of writings of St Cyprian Bishop of Carthage who was said to oppose such a practice The Roman Catholic Church at large voiced through its religious leaders Church Fathers Pope and theologians within this period have noted the original form of baptism being in the name of Jesus thereby continuing to acknowledge its validity and recognition

**An Introduction to the Trinity** Declan Marmion,Rik van Nieuwenhove,2011 This book introduces the main people and themes in the history of Trinitarian theology and analyses recent alternative readings of the tradition *The Rise and Fall of the Complementarian Doctrine of the Trinity* Kevin Giles,2017-07-14 Since the late 1970s complementarian theologians have been arguing that the divine three persons in the Trinity are ordered hierarchically and that this is the ground for the hierarchical ordering of the sexes Suddenly and unexpectedly in June 2016 a number of complementarian theologians of confessional Reformed convictions came out and said that to so construe the Trinity is heresy it is a denial of what the creeds and confessions of the church rule is the teaching of Scripture A civil war among complementarians followed and in a very short time those arguing for hierarchical ordering in the Trinity capitulated This book tells the story **A**

**Jewish Trinity** Alan Brill,2025 In *A Jewish Trinity* Alan Brill offers a Jewish understanding of six topics often discussed in

contemporary Christian theology Trinity original sin incarnation salvation messianism and covenant Brill shows that contemporary Christian theology allows for greater commonality while remaining aware of differences Translating H/holy S/spirit Garrett C. Kenney,2006-12-14 Translating H holy S spirit examines the biblical concept of the holy spirit Twenty five English translations are consulted revealing a high degree of ambiguity and inconsistency in translating this central concept This is clearly evident in the apparent arbitrariness and inconsistency in capitalization When Spirit is capitalized it is generally assumed that a person is being referred to This raises questions as to whether the Spirit is simply a personification of some attribute or activity of God or whether Spirit may refer to a distinct hypostasis in the Godhead When spirit appears in lowercase it is generally assumed that an impersonal gift or enablement is intended Translating H holy S spirit presents four models by which these difficulties are examined and clarified Each model is defined defended and then deconstructed

**Baptized into God** A.A. Walker,2014-05-08 This book is an intriguing study on two controversial topics baptism in the name of Jesus Christ and the oneness of God Baptism has been a theme of contention for many centuries yet the Biblical and historical records teach us the simplicity of this topic The second area of fiery debate revolves around the identity of God and the monotheistic cry of the Scripture Being both a research oriented and scholarly publication the reader will find themselves being challenged as they are confronted with the truth from the Bible and the witness of history while reclining at the metaphorical table of scholarly disputation This work is for the hungry heart the academic mind the inquisitive lovers of the Scripture and those with questions that need to be addressed As the reader is challenged to explore the evidence with the author the testimony of scholarship and most importantly the veracity of the Word they will find themselves in a position calling them to respond to such discoveries This study will trouble stagnant waters and compel the reader to consider the unequivocal GodJesus Christ Trinity - Examined CDR,2015-09-22 God is one not three Deut 6 4 Hear O Israel the Lord our GOD IS ONE LORD 1 Cor 8 6 There is but ONE GOD THE FATHER of whom all things and we in him James 2 19 1 Tim 2 5 There is ONE GOD And one MEDIATOR between God and man the MAN JESUS CHRIST Even the devils believe and tremble that there is only one God John 17 3 says And this is life eternal that they might know thee THE ONLY TRUE GOD and Jesus Christ whom THOU HAST SENT Eph 4 6 ONE GOD and father of all Isaiah 43 10 Before me there was NO GOD formed neither shall there be after me This Trinity is an established matter by Roman Emperor Constantine with the meeting known as Council of Nicaea with all bishops in 325 AD We cannot open it again This is the opinion of many After all we are not under the kings and emperors now We are in democracy Nobody can dictate us Constantine was not a Christian at the time of taking that decision and it was only later he became a Christian He was afraid that his Roman kingdom will break down into two with the fight among bishops about this Trinity and so he held the Nicene Council with all the Bishops simply took the majority and then declared Trinity We need biblical support for anything not the human dictation The Biblical World William Rainey Harper,Ernest DeWitt Burton,Shailer Mathews,1895 Books for New Testament study By Clyde Weber
