Matterhorn Karl Marlantes, Marine lieutenant Waino Mallas and his comrades in Bravo Company have been dropped into the mountain jungle of Vietnam Standing in their way are the North Vietnamese the monsoon rain and mud leeches and tigers and disease and malnutrition When the company is surrounded by the enemy the Marines are thrust into the raw and all consuming terror of combat The experience will change them forever Deep River Karl Marlantes, 2019-07-02 Three Finnish siblings head for the logging fields of nineteenth century America in the New York Times bestselling author's commanding historical epic Washington Post Born into a farm family the three Koski siblings Ilmari Matti and Aino are raised to maintain their grit and resiliency in the face of hardship This lesson in *sisu* takes on special meaning when their father is arrested by imperial Russian authorities never to be seen again Lured by the prospects of the Homestead Act Ilmari and Matti set sail for America while young Aino feeling betrayed and adrift after her Marxist cell is exposed follows soon after The brothers establish themselves among a logging community in southern Washington not far from the Columbia River In this New World they each find themselves Ilmari as the family's spiritual rock Matti as a fearless logger and entrepreneur and Aino as a fiercely independent woman and union activist who is willing to make any sacrifice for the cause that sustains her Layered with fascinating historical detail this novel bears witness to the stump ridden fields that the loggers and the first waves of modernity leave behind At its heart *Deep River* explores the place of the individual and of the immigrant in an America still in the process of defining its own identity What It Is Like to Go to War Karl Marlantes, 2011-08-30 A precisely crafted and bracingly honest memoir of war and its aftershocks from the New York Times bestselling author of *Matterhorn* *The Atlantic* In 1968 at the age of twenty three Karl Marlantes was dropped into the highland jungle of Vietnam an inexperienced lieutenant in command of forty Marines who would live or die by his decisions In his thirteen month tour he saw intense combat killing the enemy and watching friends die Marlantes survived but like many of his brothers in arms he has spent the last forty years dealing with his experiences In *What It Is Like to Go to War* Marlantes takes a candid look at these experiences and critically examines how we might better prepare young soldiers for war In the past warriors were prepared for battle by ritual religion and literature which also helped bring them home While contemplating ancient works from Homer to the Mahabharata Marlantes writes of the daily contradictions modern warriors are subject to of being haunted by the face of a young North Vietnamese soldier he killed at close quarters and of how he finally found a way to make peace with his past Through it all he demonstrates just how poorly prepared our nineteen year old warriors are for the psychological and spiritual aspects of the journey In this memoir the New York Times bestselling author of *Matterhorn* offers a well crafted and forcefully argued work that contains fresh and important insights into what it

s like to be in a war and what it does to the human psyche The Washington Post Matterhorn Karl Marlantes,2011 In the tradition of Norman Mailer s The Naked and the Dead and James Jones s The Thin Red Line Marlantes tells the powerful and compelling story of a young Marine lieutenant Waino Mellas and his comrades in Bravo Company who are dropped into the mountain jungle of Vietnam as boys and forced to fight their way into manhood **The Oxford History of the Novel in English** Cyrus R.
