The King James Version of the Bible King James, Murat Ugray, 2014-09-23 The King James Version KJV commonly known as the Authorized Version AV or King James Bible KJB is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611 First printed by the King's Printer Robert Barker this was the third translation into English to be approved by the English Church authorities The first was the Great Bible commissioned in the reign of King Henry VIII and the second was the Bishops Bible of 1568 In January 1604 King James I convened the Hampton Court Conference where a new English version was conceived in response to the perceived problems of the earlier translations as detected by the Puritans a faction within the Church of England James gave the translators instructions intended to guarantee that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy The translation was done by 47 scholars all of whom were members of the Church of England In common with most other translations of the period the New Testament was translated from Greek the Old Testament was translated from Hebrew text while the Apocrypha were translated from the Greek and Latin In the Book of Common Prayer 1662 the text of the Authorized Version replaced the text of the Great Bible for Epistle and Gospel readings and as such was authorized by Act of Parliament By the first half of the 18th century the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches Over the course of the 18th century the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars Today the most used edition of the King James Bible and often identified as plainly the King James Version especially in the United States closely follows the standard text of 1769 edited by Benjamin Blayney at Oxford Editorial Criticism F H A Scrivener and D Norton have both written in detail on editorial variations which have occurred through the history of the publishing of the Authorized Version from 1611 to 1769 In the 19th century there were effectively three main

guardians of the text Norton identified five variations among the Oxford Cambridge and London Eyre and Spottiswoode texts of 1857 such as the spelling of farther or further at Matthew 26 29 In the 20th century variations between the editions was reduced to comparing the Cambridge to the Oxford Distinctly identified Cambridge readings included or Sheba Josh 19 2 sin 2 Chr 33 19 cliffs Job 30 6 vapour Psalm 148 8 flieth Nah 3 16 further Matt 26 39 and a number of other references In effect the Cambridge was considered the current text in comparison to the Oxford Cambridge University Press introduced a change at 1 John 5 8 in 1985 reverting its longstanding tradition of having the word spirit in lower case to have a capital letter S It has also done the same in some of its publications in Acts 11 12 and 11 28 These are instances where both Oxford and Cambridge have now altered away from Blayney s 1769 Edition The distinctions between the Oxford and Cambridge editions has been a major point in the Bible version debate Differences among Cambridge editions in the 21st century has become a potential theological issue particularly in regard to the identification of the Pure Cambridge Edition Translation The English terms rejoice and glory stand for the same word in the Greek original In Tyndale Geneva and the Bishops Bibles both instances are translated rejoice In the Douay Rheims New Testament both are translated glory Only in the Authorized Version does the translation vary between the two verses In the Old Testament the translators render the Tetragrammaton YHWH by the LORD in later editions in small capitals as LORD or the LORD God
