Holy Rebellion Kevin J. Moore,2014 [Holy Rebellion](#) Ph. D. Kevin J. Moore,2014-10-01 ABOUT THE BOOK Can rebellion be holy Certainly as long as we rebel against things that God abhors Built around seven powerful expressions of love Holy Rebellion draws lessons from real life ministry encounters Wedged tightly into each story is the most powerful lesson a pastor could ever learn the message of love From cover to cover Holy Rebellion takes the reader on a vivid journey through the most glorious victories and embarrassing blunders in pastoral ministry From being compared to a primate and proof of Darwin s theory of evolution to falsely congratulating a woman on her pregnancy the reader comes face to face with awkward and hilarious moments in ministry This book also explores the imperfection of pastors who at times fail miserably Books that gloss over the painful times in ministry that were self induced do little to edify pastors who struggle with the consequences of their mistakes Holy Rebellion is fresh honest and compelling ABOUT THE AUTHOR Kevin Moore faithfully serves as the senior pastor of Lamar Baptist Church in Arlington Texas Kevin is passionate about preaching the full counsel of God in season and out of season His passion for pastoral ministry however extends beyond his congregation Kevin understands the importance of training future leaders who will boldly preach the Word of God After receiving his Ph D in Old Testament from Southwestern Seminary Kevin launched a pastor driven approach to fundraising for his alma mater called Southwestern Sunday Kevin and his wife are blessed with three beautiful children [THE PASTORAL MINISTRY](#)

Pastoral Leadership Harold L. Senkbeil,Lucas V. Woodford,2021-08-04 Christ s sheep need shepherding That s where you come in With more than 60 years of ministry between them Harold Senkbeil and Lucas Woodford have come to understand that everything in ministry even administration leadership and planning revolves around the ancient tradition of the care of souls Pastors are entrusted with the care of a flock by the Good

Shepherd and are called to be faithful to this task But pastoring seems to be getting more and more difficult Based on a sound theological framework Senkbeil and Woodford present a set of practical tools for church leadership and strategy Calling on their vast experience they encourage pastors to protect guide and feed their flock as Jesus would bridging the eternal wisdom of the word of God with the everyday practicality of hands on leadership Originally published as Church Leadership Strategy this revision includes a new chapter and litany *Tending to the Holy* Bruce G. Epperly,Katherine Gould Epperly,2009-10-02 *Tending to the Holy* The Practice of the Presence of God in Ministry invites pastors to embody their deepest beliefs in the routine and surprising tasks of ministry Inspired by Brother Lawrence s classic text in spirituality *Tending to the Holy* integrates the wisdom and practices of the Christian spiritual tradition with the commonplace practices of pastoral ministry Bruce and Katherine Epperly utilize a variety of spiritual disciplines especially Benedictine Celtic Ignatian Rhineland and process spiritualities to provide a framework for helping clergy nurture the awareness of God creative imagination and personal well being in every aspect of their ministerial lives Practicing God s presence in the ordinary tasks of ministry inspires wholeness spiritual transformation vision imagination endurance and healthy self differentiation in ministry Commitment to joining spiritual practices with the routine and repetitive tasks of ministry provides an important antidote to unhealthy stress burnout and loss of vision in ministry By seeing their congregational leadership in terms of spiritual transformation imaginative practice and relational interdependence ordinary ministerial practices can become ways pastors can deepen their relationship with God Growing out of their work with pastors at every season of ministry as well as combined ministerial experience of nearly sixty years Bruce and Katherine Epperly invite pastoral leaders to complement and expand on their understanding of spiritual leadership pastoral excellence and self care integrating traditional and contemporary spiritual practices with the concrete arts of ministry *Pastoral Leadership Is...* Dave Earley,2012 Dozens of brief yet powerful entries for pastors about what it really means to be on mission spiritual warriors who lead the local church from a biblical point of view instead of a modern traditional one **Excellence in Ministry** Robb Thompson,2012-10-09 Do you sense God s call on your life to the ministry If so why settle for anything less than the prize of your high calling of God in Christ Jesus Phil 3 14 In this book Robb Thompson gives you invaluable principles from the Word to help you answer God s call to the ministry with excellence But as Robb stresses *Excellence in Ministry* Brian Brodersen,2008-01 **Pursuing Pastoral Excellence** Paul E. Hopkins,2011-01-11 In Pursuing Pastoral Excellence pastoral counselor and educator Paul Hopkins aims to help pastoral leaders make a lasting and positive difference in the lives of the people and communities they serve The heart of this book is the stories of seven ordinary pastors whose leadership has become extraordinary Their stories not only highlight important characteristics and practices that nurture fruitful pastoral leadership but they invite readers to examine their own stories to think about the value of longevity in ministry and to enhance the enduring impact of their own pastoral leadership Hopkins frames these stories with a discussion of the difficult

vocational challenges pastors are facing in a rapidly changing church milieu and a survey of recent leadership studies He concludes by exploring seven patterns of pastoral leadership that characterize leaders who have an enduring impact as well as four key elements coming to be recognized as imperative for the cultivation of enduring pastoral fruitfulness As One with Authority, Second Edition Jackson W. Carroll, 2011-05-11 Congregations today face both old and often new unprecedented challenges spiritual moral technological and economic for which there are no easy solutions Facing such challenges calls for pastors able to lead with authority in ways at the same time faithful to the gospel and appropriate to the congregation's setting and the issues at hand Yet many pastors are unsure of their authority often experiencing conflict as they attempt to lead Others have abused their authority and brought mistrust and suspicion to ordained ministry making it difficult for other clergy to lead In this book a new and revised edition of his earlier highly regarded work on pastoral authority and leadership Jackson Carroll brings together theological and sociological perspectives to provide an interpretation of pastoral authority as reflective leadership a style of leadership that involves vision and discernment and that is appropriate for the many roles in which pastors engage preaching worship leadership teaching counseling and shaping the congregation's corporate life In this new edition Carroll draws on what he has learned from many conversations with pastors and lay leaders since the book's initial publication as well as insights from others He also introduces helpful new case material from practicing pastors and incorporates the perspectives of several recent leadership theorists and practitioners to deepen and enhance the discussion of pastoral authority as reflective leadership Six Steps to Excellence in Ministry

Kenneth Copeland, 1987-05 In this clear call to action is a guide on how to turn that inner desire to achieve excellence into a firm decision to be all that God has called you to be Leading Major Change in Your Ministry Jeff Iorg, 2018-04-01 Leadership decisions in ministries have eternal consequences Almost every church or organization needs or soon will need to be led through major change Leading Major Change in Your Ministry is your guide to successfully getting it done

Transforming Pastoral Leadership Quentin P. Kinnison, 2016-05-20 For many congregations change creates discomfort Pastoral leaders are often expected to be experts who manage and control realities beyond their expertise experience and ability That expectation a product of modern approaches to leadership views the pastor as responsible for maintaining the status quo *Transforming Pastoral Leadership* responds to this context by challenging readers to rediscover key biblical themes around the shepherding metaphor as well as key theological themes steeped in our historical faith narratives Readers are challenged to consider the origins of our dominant leadership practices and to reconsider how Christ's preeminence as the leader of his church requires us to reconstruct leadership practices that are faithful to his preeminence To assist congregations *Transforming Pastoral Leadership* suggests two processes that might help congregations discern God's missional promptings as they move forward into God's future and experience conflict as opportunities for transformation
