[Integrating Business Management Processes](#) Titus De Silva, 2020-08-18 Integrating Business Management Processes Volume 2 Support and Assurance Processes 978 0 367 48548 1 Shelving Guide Business Management The backbone of any organisation is its management system. It must reflect the needs of the organisation and the requirements of its customers. Compliance with legal requirements and ethical environmental practices contributes towards the sustainability of the management system. Whatever the state of maturity of the management, this book, one of three, provides useful guidance to design, implement, maintain, and improve its effectiveness. This volume provides a comprehensive coverage of the key support and assurance processes. Topics include document control, communication, marketing, information systems, and technology, human resource management, training and development, customer relations, management, financial management, and measurement and analysis, to name a few. This book, with its series of examples and procedures, shows how organisations can benefit from satisfying customer requirements and the requirements of ISO standards to gain entry into lucrative markets. Titus De Silva is a consultant in management skills development, pharmacy practice, quality management, and food safety, and an advisor to the newly established National
