Understanding Religion Through Artificial Intelligence Justin E. Lane, 2021-05-06 In Understanding Religion through Artificial Intelligence Justin E Lane looks at the reasons why humans feel they are part of a religious group despite often being removed from other group members by vast distances or multiple generations To achieve this Lane offers a new perspective that integrates religious studies with psychology anthropology and data science as well as with research at the forefront of Artificial Intelligence AI After providing a critical analysis of approaches to religion and social cohesion Lane proposes a new model for religious studies which he calls the Information Identity System This model focuses on the idea of conceptual ties links between an individual s self concept and the ancient beliefs of their religious group Lane explores this idea through real world examples ranging from the rise in global Pentecostalism to religious extremism and self radicalization to the effect of 9 11 on sermons Lane uses this lens to show how we can understand religion and culture today and how we can better contextualize the changes we see in the social world around us Come, Lord Jesus, Be Our Guest Marian Korth, 2013-05-30 Come Lord Jesus be our guest And he came as a homeless man a stranger a friend Marian Korth and her partner Mim Jacobson have served breakfast to thousands of overnight guests in their home but they didnt bother to offer a cup of coffee to a homeless man huddling on their doorstep one cold winter morning Why didnt they welcome this Jesus into their home Marian has more to learn about hospitality even after sixty years of adventures in hospitality She can tell stories about being hospitable or not from Growing up on a small dairy farm in Wisconsin Living in Chicago for twenty years Returning to Wisconsin and turning their farmhouse into a bed and breakfast Providing end of life care for guests who live with Marian and Mim in their home Transforming their bed and breakfast into a spiritual retreat center Kindness is the common thread that runs through all these adventures in hospitality The first verse Marian memorized as a child was Ephesians 4 32 Be ye kind one to another tender hearted forgiving one another even as God for Christs sake hath forgiven you She memorized it and still thinks about it in the King James Version In these stories Marian reflects on what God is telling her about being hospitable She thinks its pretty exciting to know that God has told us Be ready with a meal or a bed

her parents generation ceased to exist She writes of her parents generation and could be writing of her own book From a common fund of hunger and fear everything was told in the we and impersonal pronouns Co winner of the 2018 French American Foundation Translation Prize in Nonfiction Winner of the 2017 Marguerite Yourcenar Prize for her entire body of work Winner of the 2016 Strega European Prize Workers together with God, a series of papers on some of the Church's works by some of the Church's workers [compiled by a religious of the Community of st.
