Home Front By Kristin Hannah:

Home Front Kristin Hannah, 2012-01-31 Home Front is Hannah's crowning achievement. The Huffington Post In this powerhouse of a novel Kristin Hannah explores the intimate landscape of a troubled marriage with this provocative and timely portrait of a husband and wife in love and at war. All marriages have a breaking point. All families have wounds. All wars have a cost. Like many couples Michael and Jolene Zarkades have to face the pressures of everyday life, children, careers, bills, chores, even as their twelve year marriage is falling apart. Then a deployment sends Jolene deep into harm's way and leaves defense attorney Michael at home unaccustomed to being a single parent to their two girls. As a mother it agonizes Jolene to leave her family but as a soldier she has always understood the true meaning of duty. In her letters home she paints a rose colored version of her life on the front lines shielding her family from the truth. But war will change Jolene in ways that none of them could have foreseen. When tragedy strikes Michael must face his darkest fear and fight a battle of his own for everything that matters to his family. At once a profoundly honest look at modern marriage and a dramatic exploration of the toll war takes on an ordinary American family. Home Front is a story of love, loss, heroism, honor, and ultimately hope. Hannah has written a remarkable tale of duty, love, strength, and hope that is at times poignant and always thoroughly captivating and relevant. Library Journal starred review

Home Front Kristin Hannah, 2012-01-31 The blockbuster bestselling author of Night Road and Firefly Lane delivers a masterful novel that explores the sacrifices of one American family and illuminates the true cost of honor, duty, and love, offering an intimate look at the inner landscape of a disintegrating marriage and a dramatic examination of the price of war

Home Front Kristin Hannah, 2012-08-16 One of the greatest storytellers of our time Delia Owens author of Where the Crawdads Sing From the multi million copy number one bestselling author of The Women, The Nightingale and The Four Winds Home Front is a provocative and timely portrait of hope, honour, loss, forgiveness and the elusive nature of love. An intimate look at the inner landscape of a disintegrating marriage and a dramatic exploration of the price of war. It's not intentions that matter. It's actions. My drill instructor used to say that all the time. We are what we do and say, not what we intend to. From a distance Michael and Jolene Zarkades seem to have it all a solid, dependable marriage, exciting careers and children they adore. But after twelve blissful years together the couple has lost their way. They are unhappy and edging towards divorce. Then an unexpected deployment tears their already fragile family apart sending one of them deep into harm's way and leaving the other at home caring for the children and waiting for news. When the worst happens each must face their darkest fear and fight for the future of their family. Praise for Kristin Hannah Utterly absorbing. A triumph Taylor Jenkins Reid bestselling author of Daisy Jones The Six Stuns with sacrifice. Uplifts with heroism. Bonnie Garmus bestselling author of Lessons in Chemistry Moving and unforgettable Christy Lefteri bestselling author of The Beekeeper of Aleppo A classic storyteller Matt Haig bestselling author of The Midnight Library

Novel of the Year Publishers Weekly From the number one bestselling author of The Nightingale and The Great Alone comes a powerful American epic about love and heroism and hope set during the Great Depression a time when the country was in crisis and at war with itself when millions were out of work and even the land seemed to have turned against them My land tells its story if you listen The story of our family Texas 1921 A time of abundance The Great War is over the bounty of the land is plentiful and America is on the brink of a new and optimistic era But for Elsa Wolcott deemed too old to marry in a time when marriage is a woman s only option the future seems bleak Until the night she meets Rafe Martinelli and decides to change the direction of her life With her reputation in ruin there is only one respectable choice marriage to a man she barely knows By 1934 the world has changed millions are out of work and drought has devastated the Great Plains Farmers are fighting to keep their land and their livelihoods as crops fail and water dries up and the earth cracks open Dust storms roll relentlessly across the plains Everything on the Martinelli farm is dying including Elsa s tenuous marriage each day is a desperate battle against nature and a fight to keep her children alive In this uncertain and perilous time Elsa like so many of her neighbors must make an agonizing choice fight for the land she loves or leave it behind and go west to California in search of a better life for her family The Four Winds is a rich sweeping novel that stunningly brings to life the Great Depression and the people who lived through it the harsh realities that divided us as a nation and the enduring battle between the haves and the have nots A testament to hope resilience and the strength of the human spirit to survive adversity The Four Winds is an indelible portrait of America and the American dream as seen through the eyes of one indomitable woman whose courage and sacrifice will come to define a generation
