Isaiah Jeremiah Irving Lester Jensen,1961-06-01     Isaiah Carly Lorraine Crouch,Christopher B. Hays,2022 C L Crouch and Christopher Hays introduce the Book of Isaiah by examining its structure and characteristics covering the latest Biblical scholarship including its composition history and key historical and interpretive issues and considering a range of scholarly approaches In particular Crouch and Hays look at the presence of an Isaianic community around the text and examines the strong themes of righteousness and holiness to show how these may be taken together to display a unified theology of Isaiah in its final form as well as being key concerns for the various authors of parts of the book throughout its composition They also consider the reception history of Isaiah and what the text has meant to people across history With suggestions of further reading at the end of each chapter this guide will be an essential accompaniment to study of the Book of Isaiah     *The Prophecies of Isaiah* James K. Crews,2016-09-17 Isaiah faithfully and boldly spoke God s word during the reigns of four Jewish kings He lived in a tumultuous time when the people Israel was about to be judged by God for their idolatry immorality and arrogance This judgment came upon the northern kingdom by the cruel Assyrians who devastated their land and destroyed the people as Isaiah had so graphically described Isaiah was a humble man totally dedicated to God He boldly warned Judah the southern kingdom of the consequences of their continued disobedience and rejection of God He prophetically saw the final blow of captivity for Judah Tenderhearted yet with God s voice he spoke of severe judgments to come upon the enemies of Israel Yet in the midst of these dark words he spoke bright words of hope the promised coming of their Messiah Who came to redeem not only Israel but all the world His prophesies still stir our hearts today as we read his descriptions of judgment of the wicked the establishment of Christ s Kingdom the glories of His reign and the redemption and renewal of heaven and earth This Study Guide for LIFE directs readers through the complexities of this epistle by a three prong approach to explain what the text says what it means and how to apply it to their lives This is done by 1 offering explanations of our current understanding of the more difficult passages 2 asking readers questions that can be answered directly from the text to focus attention on specific aspects of the prophecy and 3 asking probing questions that encourage readers to examine their own lives with the truth that Isaiah reveals The Study Guide is appropriate for the study efforts of individuals small groups or teachers preparing to explain this book Whether you are a curious seeker or a professional minister the Study Guide for LIFE will direct your studies into the heart of Isaiah s Prophecies but also to the very heart of God
