La problématique de l'unification du droit de la famille au Cameroun Mbeng Tataw Zoueu,1997 **L'unification du droit de la famille au Cameroun** Mbeng Tataw Zoueu,2010-06-01 Trois systèmes de droit différents coexistent au Cameroun Un droit coutumier droit ancestral des populations auquel se sont ajoutés le droit civil et la common law introduits respectivement par la France et la Grande Bretagne l'époque coloniale En droit de la famille l'unification des différents droits reste partielle Le législateur se heurte la résistance du droit traditionnel qu'il souhaite remplacer par le droit écrit Il est également confronté des difficultés pour uniformiser la common law en vigueur dans les provinces anglophones et le droit civil applicable au Cameroun francophone Historical Dictionary of the Republic of Cameroon Mark Dike DeLancey,Mark W. Delancey,Rebecca Neh Mbuh,2019-06-15 Cameroon is a land of much promise but a land of unfulfilled promises It has the potential to be an economically developed and democratic society but the struggle to live up to its potential has not gone well Since independence there have been only two presidents of Cameroon the current one has been in office since 1982 Endowed with a variety of climates and agricultural environments numerous minerals and substantial forests and a dynamic population this is a country that should be a leader of Africa Instead we find a country almost paralyzed by corruption and poor management a country with a low life expectancy and serious health problems and a country from which the most talented and highly educated members of the population are emigrating in large numbers To all of this is recently added a serious terrorism problem Boko Haram in the north a separatist movement in the Anglophone west refugee influxes in the north and east and bandits from the Central African Republic attacking eastern villages This fifth edition of Historical Dictionary of the Republic of Cameroon contains a chronology an introduction and an extensive bibliography The dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the Republic of Cameroon *Africa* Toyin Falola,Daniel Jean-Jacques,2015-12-14 These volumes offer a one stop resource for researching the lives customs and cultures of Africa's nations and peoples Unparalleled in its coverage of contemporary customs in all of Africa this multivolume set is perfect for both high school and public library shelves The three volume encyclopedia will provide readers with an overview of contemporary customs and life in North Africa and sub Saharan Africa through discussions of key concepts and topics that touch everyday life among the nations peoples While this encyclopedia places emphasis on the customs and cultural practices of each state history politics and economics are also addressed Because entries average 14 000 to 15 000 words each contributors are able to expound more extensively on each country than in similar encyclopedic works with shorter entries As a result readers will gain a more complete understanding of what life is like in Africa's 54 nations and territories and will be better able to draw cross cultural comparisons based on their reading
