Lower Your High Blood Pressure Naturally Without A Prescription:

How to Lower Your Blood Pressure Using Natural Remedies J.D. Rockefeller, 2015-07-03 Blood pressure involves the blood pushing against the walls of the blood vessels. Blood is pumped into the arteries which help move it to different parts of the body. Blood pressure is generally normal and occurs in all humans, but high blood pressure, also referred to as hypertension, is a dangerous condition because it causes the heart to overwork to pump blood throughout the body. Hypertension can be controlled but can also have some severe health consequences if it's not regulated and kept at normal levels. High blood pressure is among the leading causes of heart attacks, stroke, and different other diseases. Since high blood pressure doesn't bear many symptoms, a third of adults don't know if they have it. The only surefire way of determining whether you suffer from high blood pressure or not is to have blood pressure measured on a regular basis. In this book, you will learn:

- Understanding What High Blood Pressure Is All About
- Measuring Blood Pressure
- What Are the Main Causes of Blood Pressure
- Looking at Normal Blood Pressure
- How to Control Blood Pressure Naturally Without Medication
- Choosing Between Natural Remedies and Medications for Blood Pressure

Let's get started! [The Natural Prostate Cure](#) Roger Mason, 2012-06-06 By the age of fifty, three out of four men have enlarged prostates, which can lead to serious health problems, including prostate cancer. *The Natural Prostate Cure* provides unique and effective alternatives to traditional treatments such as surgery and chemotherapy. The author begins with a lesson in nutrition and the best supplements to take for prostate health. He then details the causes of and natural treatments for common prostate disorders. Finally, he discusses natural hormone treatments that can prevent and combat prostate disease. [Healing The Body Without Prescription Drugs](#) Marko Mut, 2019-05-31 Nature has provided us with an expansive pantry of fragrant and flavourful herbs and foods with wonderful healing properties. Though Westernisation has overtaken the use of natural remedies, there are many number of powerful plants packed with restorative vitamins and minerals we can all use to heal our bodies without resorting to prescription drugs. This eBook gives you an extensive wealth of information and this is what's on offer:
