

Problem Solving at the Lockers

When Emily arrives at school, she has trouble getting to her locker. Her locker number is 204, and John's locker is 205. John brings a lot of things to school every day and spreads out all of his items in front of his locker before putting them away. John does not know that his belongings are in the way of Emily's locker. Emily is frustrated because all of John's items block her from being able to get her things away quickly before the bell rings. Emily has been late to class several times because of this.
