Planning for Successful Reading and Writing Instruction in K-2 Antoinette Cerulli Fornshell, 2003-03 In this one of a kind resource a seasoned educator guides primary teachers through planning and managing a cohesive balanced literacy program She begins by asking them to consider district requirements national standards and our individual goals From there she demonstrates how to map out plans for each month week and day Chocked full of organizational tips sample plans and model lessons this book will make teachers feel empowered and in control For use with Grades K 2 Curriculum Connections Through the Library Barbara K. Stripling, Sandra Hughes-Hassell, 2003-10-30 A collection of essays which explore the educational principles and research and connects national curriculum trends to current library practice Units of Study for Teaching Writing Lucy Calkins, Kathy Collins, 2006 This series of books is designed to help upper elementary teachers teach a rigorous yearlong writing curriculum *What Is Wrong With Our Schools? The ideology impoverishing education in America and how we can do better for our students* Daniel Buck, 2022-12-09 What is wrong with our schools is the question everyone seems to be asking or more like screaming nowadays Standard answers point to everything from school funding to unions to bureaucracies and more In this book Daniel Buck provides a different answer flawed ideas ideas about instruction curriculum even human nature itself are the root cause of American schooling s dysfunction Touching on philosophy contemporary educational studies cognitive science and his own experience in the classroom Buck argues that so long as we build our system on incorrect first principles all other reforms are for naught In place of the progressive education that pervades our schools Buck argues for a traditionalist approach classic literature direct instruction sequenced curricula clear rules and consequences as the education we need for the future **Inclusive Texts in Elementary Classrooms** Amy J. Heineke, Aimee Papola-Ellis, 2022 Learn how to put children s diverse and storied experiences at the center of the curriculum Schools are more diverse than ever before but the texts and materials that typify classroom curricula continue to prioritize so called mainstream stories and perspectives These canonical texts often exclude the nuanced identities and rich lived experiences of the very children sitting in today s classrooms But kids thrive when they see themselves in texts and learn about the world around them by connecting with the experiences of others Based on the authors work with elementary school teachers over the last decade this resource offers strategies for moving away from canonical texts The authors present a four part framework for selecting using and engaging students with texts that promote children s identity development literacy engagement and comprehension and learning across the content areas The practical text provides guidance for setting learning goals that align with relevant standards and curricular directives as well as classrooms examples teaching strategies and reflective questions Book Features An actionable way for teachers to move from theory to practice using what we know about culturally relevant practice and critical literacy to create instruction that enhances children s classroom experiences and learning An inclusive and intersectional approach that supports all teachers

in enhancing their classroom libraries and curricular resources for the benefit of all students Specific ideas for texts and authors as well as more generalizable themes and ideas that will guide future exploration and use of texts in classrooms Tangible strategies and rich classrooms examples from 20 expert teachers spanning diverse elementary school settings Reflective questions to help practitioners personalize the content to their own contexts *Don't Forget to Share* Leah Mermelstein, 2007 I'm certain that you'll feel excited to try out the different kinds of share sessions that Leah discusses and that she will give you the know how and confidence you'll need to be successful Carl Anderson Author of *Assessing Writers* Traditionally the writing workshop is a three part framework a minilesson writing time and a share session Because much attention has been given to lessons and conferencing the share session has sometimes seemed like an afterthought rather than an opportunity for children to look closely at their writing process and discuss it with others No more With *Don't Forget to Share* Leah Mermelstein helps you recognize the importance of this aspect of the workshop and shows you ways to get maximum instructional impact from it *Don't Forget to Share* is the first book to take on the share session in depth revealing why it's essential to the success of writing workshop Mermelstein presents insight and smart ideas for conducting share sessions that honor and reinforce individual kids' accomplishments while at the same time offering them a safe way to get input from other writers From setting up share sessions to facilitating them she presents shares that promote rich conversations that support students' improvement in four specific areas of writing content craft process progress With in action transcripts of teachers and students helpful tips for working with English language learners and struggling writers suggestions for matching children to share activities and samples of effective teaching language *Don't Forget to Share* has everything you need to not only invest your teaching time in share sessions but to make them work for you and your students So if you're looking for a new way to ramp up the power of your writing workshop take the advice of Leah Mermelstein and *Don't Forget to Share*
