

# Lucy Lawless Drudge Report

**Mark Steyvers**

### **Lucy Lawless Drudge Report:**

*Body Parts* Christopher E. Forth, Ivan Crozier, 2005-01-01 In many forms of discourse specific parts of the human anatomy may signify or act as a substitute for the whole body person the presence of a large gut may render a man effeminate or represent someone who has lost control of his appetites visible muscles indicate strength of body but also constitution or will a hard penis indicates a male body in a state of perfection In this volume scholars from a variety of historical and cultural studies disciplines examine scientific medical popular and literary texts paying special attention to the different strategies employed in order to establish authority over the body through the management of a single part By considering body parts that are usually ignored by scholars the skin blood the pelvis the hair the essays in this volume render the idea of a single coherent body untenable by demonstrating that the body is not a transhistorical entity but rather deeply fragmented and fundamentally situated in a number of different contexts      **TV Guide** , 1999

## **Lucy Lawless Drudge Report** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be evident than ever. They have the capacity to inspire, provoke, and ignite change.
