**Camera: How to Get Perfect Pictures Straight Out of the Camera** Gordon Laing, 2020-03-05 With amazing low light capabilities, incredible definition, intelligent autofocus, and a host of other features, digital cameras have now become so powerful that they have left their users behind. In Camera is the perfect way to take your photography to that level, to master your camera, understand light exposure and composition, and make amazing photographs whatever your camera without cheating after the event. One hundred of Gordon's beautiful photos are given with his own expert commentary.
